Proxy Statement

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of First Busey Corporation for use at the Annual Meeting of Shareholders. The Board has fixed the close of business on February 24, 2006, as the record date for determining the shareholders entitled to notice of, and to vote at, the Annual Meeting. On the record date, the Company had outstanding and entitled to vote 21,495,582 shares of Common Stock, \$.001 par value.

The Company's Form 10-K Annual Report, which includes audited financial statements for the year ended December 31, 2005, accompanies this Proxy Statement. The approximate date on which the Proxy Statement and the accompanying proxy are first being sent to shareholders is March 15, 2006.

Voting

General. Shares of Common Stock represented by properly executed proxies received by the Company will be voted at the Annual Meeting in accordance with the instructions on the proxies. If there are no such instructions, the shares will be voted "FOR" the election of the nominees for directors named in this Proxy Statement. Properly executed proxies received by the Company will also be voted at the Annual Meeting in accordance with the Board's recommendations on any other matters which may come before the Annual Meeting.

In order to be elected a director, a nominee must receive a plurality of the votes cast at the meeting for the election of directors. Because the seven nominees receiving the largest number of affirmative votes will be elected, shares represented by proxies that are marked "withhold authority" or "abstain" as to election of directors will have no effect on the outcome of the election.

Directors and Executive Officers. All of the directors and executive officers of the Company have advised the Company that they will vote their shares of Common Stock "FOR" the election of the nominees for director. As of February 24, 2006, these individuals beneficially owned an aggregate of 5,513,917 shares, or approximately 25.42% of the Common Stock outstanding.

Revocability of Proxies

Shareholders may revoke their proxy by a later proxy or by giving notice of such revocation to the Company in writing or at the Annual Meeting before such proxy is voted. Attendance at the Annual Meeting will not in and of itself constitute the revocation of a proxy.

[Table of Contents](#)

Solicitation

The Company will pay the cost of solicitation of proxies. In addition to solicitation by mail, officers, directors and regular employees of the Company may solicit proxies by telephone, telefax or in person without additional compensation. Brokerage houses, bank nominees, fiduciaries and other custodians will be requested to forward soliciting material to the beneficial owners of shares held of record by them and will be reimbursed for their reasonable expenses.

**Proposal No. 1
Election of Directors**

The seven nominees named below have been recommended for election as directors for a term of one year or until their successors have been duly elected and qualified.

It is intended that the proxies received in response to this solicitation will be voted for the election of the seven persons so nominated, unless otherwise specified. If, for any reason, any nominee shall become unavailable for election or shall decline to serve, persons named in the proxy may exercise discretionary authority to vote for a substitute proposed by the Board. No circumstances are presently known which would render a nominee named herein unavailable.

Set forth below is certain biographical information concerning each nominee for director, including principal occupation and age as of February 24, 2006, the record date for the Annual Meeting. Board of Directors

During 2005, the Board held 11 meetings. All directors attended at least 75% of the meetings of the Board and the committees on which they served during 2005. The Company's policy with respect to director attendance at Annual Meetings of Shareholders is that each director attend the same. It is each director nominee's intention, at this time, to attend the 2006 Annual Meeting.

The Board of Directors of the Company has established the following committees, among others, to assist in the discharge of its responsibilities.

Executive Management Compensation and Succession Committee

The Executive Management Compensation and Succession Committee met six times in 2005. Members of the Compensation Committee in 2005 were Messrs. Ambrose (Chairman), Leister and Wyatt. The responsibilities of this Committee include the approval, and recommendation to the Board of the compensation of the Chief Executive Officer of the Company and the compensation of all other executive officers of the Company. The Committee also reviews and analyzes existing and potential management succession issues. All members are "independent" under Nasdaq rules.

Nominating & Corporate Governance Committee

The Nominating & Corporate Governance Committee of the Board of Directors met two times in 2005. The Nominating & Corporate Governance Committee members are Messrs. Wyatt (Chairman), Leister and O'Brien. The responsibilities of the Nominating & Corporate Governance Committee include the nomination of individuals as members of the Board of Directors, including the review of existing directors' self-assessments to determine qualifications to stand for re-election, and the implementation and maintenance of corporate governance procedures. All members are "independent" under Nasdaq rules. The Nominating & Corporate Governance Committee Charter is available at the Company's website at www.busey.com.

The Nominating & Corporate Governance Committee reviews qualified candidates for directors and focuses on those who present varied, complementary backgrounds that emphasize both business experience and community standing. The Committee also believes that directors should possess the highest personal and professional ethics.

In 2005, the Nominating & Corporate Governance Committee met and reviewed all relevant qualifications of potential director nominees, including, at a minimum, the following:

- independence from management, as defined specifically by the corporate governance rules of Nasdaq;
- relevant business experience;

Table of Contents

- knowledge of the central Illinois communities in which the Company predominantly operates;
- potential conflicts of interest; and
- judgment, skill, integrity and reputation.

The Committee reviews the qualifications of each potential candidate for director and identifies nominees by consensus.

For 2006, all but two of the director nominees, Messrs. Knox and Mills, have been determined to be “independent” by the Board, under Nasdaq rules.

The Committee evaluates all candidates in the same way, reviewing the aforementioned factors, among others, regardless of the source of such candidate, including shareholder recommendation. There is no separate policy with regard to consideration of candidates recommended by shareholders. The Committee did not receive any shareholder recommendations for director nominees for 2006. No third party was retained, in any capacity, to provide assistance in either identifying or evaluating potential director nominees for 2006.

Audit Committee

The Audit Committee met six times in 2005. Members of the Audit Committee are Messrs. Leister (Chairman), Ikenberry, and Wyatt. The Audit Committee has at least one audit committee financial expert, Mr. Wyatt. Mr. Wyatt is independent from management of the Company. All members are “independent” under Nasdaq rules and under Rule 10A-3 of the Securities Exchange Act of 1934, as required for audit committee membership. The Audit Committee Charter is available at the Company’s website at www.busey.com.

The responsibilities and functions of the Audit Committee and its activities during 2005 are described in detail under the heading “Report of the Audit Committee” in this Proxy Statement.

The Audit Committee has adopted procedures for the treatment of complaints or concerns regarding accounting, internal accounting controls or auditing matters. In addition, it has adopted procedures for the review and approval of all related party transactions. The Audit Committee has also implemented pre-approval policies and procedures for all audit and non-audit services. Generally, the Audit Committee requires pre-approval of any services to be provided by the Company’s auditors, McGladrey & Pullen, LLP and the Company’s tax accountants, RSM McGladrey, Inc., to the Company or any of its affiliates. The pre-approval procedures include the designation of such pre-approval responsibility to one individual on the Audit Committee, currently Mr. Leister.

In 2005, the Audit Committee pre-approved audit services which consisted of professional services rendered for the audit of Company’s consolidated financial statements, attestation report on internal controls over financial reporting in accordance with Sarbanes-Oxley

Section 404, review of financial statements included in the Company's quarterly reports on Form 10-Q and services normally provided by the independent auditor in connection with statutory and regulatory filings. Also pre-approved were audit-related services in connection with the subsidiaries and agreed upon procedures for the trust department. Pre-approved tax services were related to the preparation of original and amended tax returns, claims for refunds and tax payment-planning services for tax compliance, tax planning and tax advice.

Fees paid to McGladrey & Pullen, LLP and RSM McGladrey, Inc., the Company's auditors, for services rendered in 2005 and 2004 are as follows:

Fees:	2005	% of Total Fees	2004	% of Total Fees
Audit	\$ 381,727	86.9%	\$ 206,500	78.7%
Audit-related	29,500	6.7%	27,900	10.6%
Tax	27,907	6.4%	20,925	8.0%
All other	250	*	7,000	2.7%
Total	\$ 439,384		\$ 262,325	

* less than 1%

The Company has not yet selected an independent auditor for the fiscal year ending December 31, 2006. McGladrey & Pullen, LLP served as the Company's independent auditors for the fiscal year ended December 31, 2005. A representative of McGladrey & Pullen, LLP will be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

In addition to the committees of the Board of Directors described above, the Company's independent directors met eight times in executive session in 2005 and will meet a minimum of two times in executive session in 2006. Mr. Wyatt, Chairman of the Nominating & Corporate Governance Committee, presides at these executive sessions.

Any shareholder who wishes to contact the Board directly may do so by contacting either Mr. Mills or Mr. Leister, (1) in writing, in care of First Busey Corporation, 201 W. Main, Urbana, IL 61801 or (2) electronically, through the hyperlink available at the Company's website at www.busey.com. All such communications will be forwarded to the entire Board, or only the independent directors, in accordance with instructions provided in such communications.

During 2005, non-employee directors of the Company received a cash retainer of \$7,500, a 4,500 share stock option and an additional payment of \$10,000, except for Mr. Leister, who served as Chairman of the Audit Committee, and received a retainer of \$10,000, a 4,500 share stock option and an additional payment of \$10,000. Directors who are also employees of the Company or any of its subsidiaries do not receive additional compensation for serving on the Board.

Report of the Audit Committee

In accordance with its written charter adopted by the Board of Directors, the Audit Committee of the Board assists the Board in fulfilling its responsibility for the oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. During the year, the Committee met six times and also reviewed and discussed the interim financial information contained in each quarterly earnings announcement with management and the independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's internal controls and internal audit function's organization, responsibilities, budget and staffing. The Committee reviewed with both the independent and internal auditors their audit plans, scope, and identification of audit risk areas.

The Committee discussed and reviewed with the independent auditors all communications required by auditing standards, generally accepted in the United States of America including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees," and discussed and reviewed the results of the independent auditors' examination of the consolidated financial statements. The Committee also discussed the results of the internal audit examinations.

The Committee reviewed the consolidated audited financial statements of the Company as of and for the year ended December 31, 2005, with management and the independent auditors. Management has the responsibility for the preparation of the Company's consolidated financial statements and the independent auditors have the responsibility for the audit of those statements.

Based upon the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

Report of the Compensation Committee on Executive Compensation

The Executive Management Compensation and Succession Committee of the Board of Directors administers the Company's executive compensation program. After consideration of the Committee's recommendations, the full Board of Directors reviews and approves all compensation, both monetary and stock-based, to all executive officers.

There are three main components to the executive management compensation package: (1) salary, (2) cash bonus and (3) stock awards, typically in the form of stock options.

The cash portion of compensation (annual salary and bonus) is determined after completing an analysis of peer compensation and performance. Stock-based compensation is based similarly on peer stock-based compensation and performance and reflects the Committee's belief that stock ownership by its management is critical to align the executive officers' interests with those of the Company's shareholders.

In early 2005, the Committee recommended, and the Board of Directors approved, the Management and Associate Dividend Program, or the "MAD program," for 2005. Payments under the MAD program comprise the officers' respective cash bonus. Under the 2005 MAD program, the Board of Directors, upon the recommendation of the Committee, set four targeted levels for "diluted earnings per share" for the Company for fiscal 2005. For the executive officers, these levels were \$1.19, \$1.20, \$1.21 and \$1.22.

Based on the level of achievement of diluted earnings per share, the executive officers would receive a dividend of a predetermined percentage of their salary. If the minimum level was not reached, there would be no dividend paid under the MAD program. If the top level was exceeded, the dividend would not be increased. The goal of the MAD program is to heighten awareness of the Company's diluted earnings per share goal while emphasizing the impact of the team concept throughout the organization. The term "dividend" is used to indicate that this award was granted at the discretion of the Board of Directors and is based annually on the achievement of diluted earnings per share, similar to the dividend paid to the Company's shareholders.

In 2005, no stock options were granted to employees of the Company. In determining whether or not to grant stock options in 2005, the Committee took into effect the significant number of options granted in 2004 as well as the potential for higher cash bonus compensation in 2005.

Compensation of the Chief Executive Officer

Base Salary/MAD Program. As reflected in the Summary Compensation Table, Mr. Mills' 2005 base salary was set at \$100,000. The Committee determined that under the MAD program, if the level of diluted earnings per share set by the Board was achieved, \$1.19, \$1.20 or \$1.21, Mr. Mills' dividend would be \$90,000, \$100,000 or \$160,000, respectively. If

[Table of Contents](#)

the Company's diluted earnings per share were \$1.22, the bonus would be at the discretion of the Committee. Based on the Company's achievement of diluted earnings per share of \$1.29, Mr. Mills received a cash "dividend" of \$350,000 which comprised Mr. Mills' cash bonus for fiscal 2005. When evaluating the appropriate cash bonus for Mr. Mills, significant consideration was given to the amount of his base salary and the fact that his total compensation is more risk based than other executive officers. Based on these factors along with the fact that the Company exceeded its original goal of diluted earnings per share of \$1.21, the Committee determined that \$350,000 was an appropriate cash bonus.

Stock Options. Mr. Mills was not granted any stock options in 2005.
