Item 1.01 Entry into a Material Definitive Agreement

On November 27, 2023, First Busey Corporation, a Nevada corporation (“Busey”), entered into an Agreement and Plan of Merger (the “Agreement”) with Merchants and Manufacturers Bank Corporation, an Illinois corporation (“M&M”). Pursuant to the terms of the Agreement, M&M will merge with and into Busey, with Busey as the surviving corporation (the “Merger”).

Under the terms of the Agreement, M&M’s stockholders will have the right to receive for each share of M&M common stock, at the election of each stockholder, and subject to proration, (i) \$117.74 in cash, (ii) 5.7294 shares of Busey common stock, or (iii) mixed consideration of \$34.55 in cash and 4.0481 shares of Busey common stock, with total consideration to consist of approximately 71% stock and 29% cash. Based upon Busey’s 20-day volume-weighted average closing price as of November 24, 2023, the aggregate implied transaction value is approximately \$41.6 million.

It is anticipated that Merchants and Manufacturers Bank, M&M’s wholly-owned bank subsidiary (“M&M Bank”), will be merged with and into Busey’s bank subsidiary, Busey Bank, at a date following the completion of the Merger. At the time of the bank merger, M&M Bank’s banking offices will become branches of Busey Bank. As of September 30, 2023, M&M had total consolidated assets of \$473.2 million, total loans and leases of \$405.9 million and total deposits of \$398.5 million.

The transaction is subject to regulatory approvals, approval by M&M’s stockholders and certain closing conditions. The transaction is expected to close in the second quarter of 2024.

The Agreement contains customary representations and warranties of both parties and customary conditions to the parties’ obligations to close the transaction, as well as agreements to cooperate in the process of consummating the transaction. The Agreement also contains provisions limiting the activities of M&M and M&M Bank that are outside the ordinary and usual course of business, including restrictions on employee compensation, certain acquisitions and dispositions of assets and liabilities, and solicitations relating to alternative acquisition proposals, pending the completion of the Merger. Certain of the directors and executive officers of M&M have executed a voting agreement in which they have agreed to vote their shares of M&M common stock in favor of approval of the Agreement.

The information set forth above does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The representations, warranties and covenants of each party set forth in the Agreement have been made only for purposes of, and were and are solely for the benefit of the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time, and investors should not rely on them as statements of fact. In addition, such representations and warranties (i) will not survive the consummation of the Merger, and (ii) were made only as of the date of the Agreement (and reassessed as of the closing date) or such other date as is specified in the Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Agreement, which subsequent information may or may not be fully reflected in the parties’ public disclosures. Accordingly, the Agreement is included with this filing only to provide investors with information regarding the terms of the Agreement, and not to provide investors with any other factual information regarding Busey or M&M, their respective affiliates or their respective businesses. The Agreement should not be read alone, but should instead be read in conjunction with the other information regarding Busey, M&M, their respective affiliates or their respective businesses, the Agreement and the Merger that will be contained in, or incorporated by reference into, the Registration Statement on Form S-4 that will include a proxy statement of M&M and a prospectus of Busey, as well as in the Forms 10-K, Forms 10-Q and other documents that Busey files with or furnishes to the Securities and Exchange Commission (“SEC”).

Item 7.01. Regulation FD Disclosure

In connection with the execution of the Agreement discussed in Item 1.01 above, Busey and M&M issued a joint press release. A copy of the press release is attached hereto as Exhibit 99.1, which is incorporated herein by reference.

From time to time on and after November 27, 2023, Busey and M&M intend to provide supplemental information regarding the proposed transaction to analysts and investors in connection with certain presentations. A copy of the supplementary information is attached hereto as Exhibit 99.2, which is incorporated herein by reference.

The information furnished pursuant to this Item and the related exhibits shall not be deemed "filed" by Busey for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or incorporated by reference in any filing under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, except as may be expressly set forth by specific reference in such filing.

Special Note Concerning Forward-Looking Statements

This Current Report on Form 8-K may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 with respect to the financial condition, results of operations, plans, objectives, future performance and business of Busey and M&M. Forward-looking statements, which may be based upon beliefs, expectations and assumptions of Busey's and M&M's management and on information currently available to management, are generally identifiable by the use of words such as "believe," "expect," "anticipate," "plan," "intend," "estimate," "may," "will," "would," "could," "should" or other similar expressions. Additionally, all statements in this Current Report on Form 8-K, including forward-looking statements, speak only as of the date they are made, and neither Busey nor M&M undertakes any obligation to update any statement in light of new information or future events. A number of factors, many of which are beyond the ability of Busey and M&M to control or predict, could cause actual results to differ materially from those in any forward-looking statements. These factors include, among others, the following: (i) the possibility that any of the anticipated benefits of the proposed transaction between Busey and M&M will not be realized or will not be realized within the expected time period; (ii) the risk that integration of operations of M&M with those of Busey will be materially delayed or will be more costly or difficult than expected; (iii) the inability to complete the proposed transaction due to the failure of the required approval of M&M's stockholders; (iv) the failure to satisfy other conditions to completion of the proposed transaction, including receipt of required regulatory and other approvals; (v) the failure of the proposed transaction to close for any other reason; (vi) the effect of the announcement of the transaction on customer relationships and operating results; (vii) the possibility that the transaction may be more expensive to complete than anticipated, including as a result of unexpected factors or events; (viii) the strength of the local, state, national, and international economy (including effects of inflationary pressures and supply chain constraints); (ix) the economic impact of any future terrorist threats or attacks, widespread disease or pandemics (including the Coronavirus Disease 2019 pandemic), or other adverse external events that could cause economic deterioration or instability in credit markets (including Russia's invasion of Ukraine and the Israeli-Palestinian conflict); (x) changes in state and federal laws, regulations, and governmental policies concerning Busey's or M&M's general business (including changes in response to the recent failures of other banks); (xi) changes in accounting policies and practices; (xii) changes in interest rates and prepayment rates of Busey's or M&M's assets (including the impact of the London Interbank Offered Rate phase-out and the recent and potential additional rate increases by the Federal Reserve); (xiii) increased competition in the financial services sector (including from non-bank competitors such as credit unions and fintech companies) and the inability to attract new customers; (xiv) changes in technology and the ability to develop and maintain secure and reliable electronic systems; (xv) the loss of key executives or associates; (xvi) changes in consumer spending; (xvii) unexpected results of acquisitions, including the acquisition of M&M and the performance of M&M's life equity loan business; (xviii) unexpected outcomes of existing or new litigation involving Busey or M&M; (xix) fluctuations in the value of securities held in Busey's or M&M's securities portfolio; (xx) concentrations within Busey's or M&M's loan portfolio, large loans to certain borrowers, and large deposits from certain clients; (xxi) the concentration of large deposits from certain clients who have balances above current FDIC insurance limits and may withdraw deposits to diversify their exposure; (xxii) the level of non-performing assets on Busey's or M&M's balance sheets; (xxiii) interruptions involving information technology and communications systems or third-party servicers; (xxiv) breaches or failures of information security controls or cybersecurity-related incidents; and (xxv) the economic impact of exceptional weather occurrences such as tornadoes, hurricanes, floods, blizzards, and droughts. These risks and uncertainties should be considered in evaluating forward-looking statements and undue reliance should not be placed on such statements. Additional information concerning Busey and its business, including additional factors that could materially affect Busey's financial results, are included in Busey's filings with the SEC.

Busey will file a registration statement on Form S-4 with the SEC in connection with the proposed transaction. The Merger shall become effective as of the date and time specified in the Nevada Articles of Merger (the “**Effective Time**”).

Section 1.3 Effects of the Merger. At and after the Effective Time, the Merger shall have the effects set forth in the applicable provisions of the NRS and the IBCA and this Agreement. Without limiting the generality of the foregoing, at the Effective Time, all of the property, rights, privileges, powers and franchises of the Company shall be vested in the Surviving Entity, and all debts, liabilities and duties of the Company shall become the debts, liabilities and duties of the Surviving Entity.

Section 1.4 Organizational Documents of the Surviving Entity; Directors and Officers. The articles of incorporation and bylaws of Acquiror, as in effect immediately prior to the Effective Time, shall be the articles of incorporation and bylaws of the Surviving Entity until thereafter amended in accordance with the provisions thereof and applicable Legal Requirements. The directors and officers of Acquiror immediately prior to the Effective Time shall remain the directors and officers of the Acquiror following the Effective Time.

Section 1.5 Bank Merger. The parties will cooperate and use their reasonable best efforts to effect the Bank Merger at a time to be determined following the Merger. At the effective time of the Bank Merger, the separate existence of the Bank will terminate. Acquiror Bank will be the surviving bank and will continue its existence under applicable Legal Requirements. The Bank Merger shall be accomplished pursuant to the statutory bank merger agreement in the form attached hereto as Exhibit C.

Section 1.6 Alternative Structure. Notwithstanding anything to the contrary contained in this Agreement, before the Effective Time, the parties may mutually agree to change the method of effecting the Contemplated Transactions if and to the extent that they deem such a change to be desirable; *provided*, that: (a) any such change shall not affect the intended U.S. federal, state or local income tax consequences of the Merger (as described in **Section 7.5(a)**) to the Company, the Bank or the holders of Company Common Stock; and (b) no such change shall (i) alter or change the amount or kind of the consideration to be issued to holders of Company Common Stock as consideration in the Merger, (ii) materially impede or delay consummation of the Merger, or (iii) require submission to or approval of the Company's stockholders after the Merger has been approved by the Company's stockholders. If the parties agree to make such a change, they shall execute appropriate documents to reflect the change.

ARTICLE 2
CONVERSION OF SECURITIES IN THE MERGER

Section 2.1 Consideration. At the Effective Time, by virtue of the Merger and without any action on the part of Acquiror, the Company or any holder of shares of Company Common Stock:

(a) Conversion of Company Common Stock.

(i) Subject to any adjustment pursuant to **Section 2.4**, each share of Company Common Stock issued and outstanding immediately prior to the Effective Time, except for Dissenters' Shares or shares of Company Common Stock owned by the Company or Acquiror (in each case other than shares of Company Common Stock held in any Company Benefit Plan or related trust accounts or otherwise held in a fiduciary or agency capacity or as a result of debts previously contracted) (the "**Excluded Shares**"), with respect to which an election to receive only cash (a "**Cash Election**") has been effectively made and not revoked or lost pursuant to **Section 2.10** (each, a "**Cash Electing Company Share**") shall be converted into the right to receive \$117.74 (the "**Per Share Value**"), without interest; *provided, however*, that if: (A) the sum of (1) the *product* of the number of Cash Electing Company Shares and the Per Share Value and (2) the *product* of the number of Mixed Consideration Electing Company Shares and the Mixed Election Cash Consideration exceeds (B) an amount equal to the Per Share Value, *multiplied* by the *product* of the Cash Percentage and the Outstanding Company Shares (the "**Available Cash**"), then each Cash Electing Company Share shall instead be converted into the right to receive (I) an amount in cash, without interest, equal to the *quotient* (rounded to the nearest hundredth of a cent) determined by *dividing* (x) an amount equal to the Available Cash *minus* the *product* of the Mixed Election Cash Consideration and the number of Mixed Consideration Electing Company Shares, by (y) the number of Cash Electing Company Shares (such fraction being the "**Pro-Rated Cash Amount**") and (II) a number of validly issued, fully paid and non-assessable shares of Acquiror Common Stock equal to the *product* (rounded to the nearest ten-thousandth of a share) of (x) the Exchange Ratio and (y) one (1) *minus* the *quotient* obtained by *dividing* the Pro-Rated Cash Amount by the Per Share Value;

(ii) Subject to any adjustment pursuant to **Section 2.4**, each share of Company Common Stock issued and outstanding immediately prior to the Effective Time, other than any Excluded Shares, with respect to which an election to receive only Acquiror Common Stock (a “**Share Election**”) has been effectively made and not revoked or lost pursuant to **Section 2.10** (each, a “**Share Electing Company Share**”) shall be converted into the right to receive 5.7294 validly issued, fully paid and non-assessable shares of Acquiror Common Stock (the “**Exchange Ratio**”); *provided, however*, that if: (A) the sum of (1) the *product* of the number of Share Electing Company Shares and the Exchange Ratio and (2) the *product* of the number of Mixed Consideration Electing Company Shares and the Mixed Election Share Consideration exceeds (B) an amount equal to the Exchange Ratio *multiplied by the product* of the Stock Percentage and the Outstanding Company Shares, other than Excluded Shares (the “**Available Shares**”), then each Share Electing Company Share shall instead be converted into the right to receive (I) a number of validly issued, fully paid and non-assessable shares of Acquiror Common Stock equal to the *quotient* (rounded to the nearest ten-thousandth of a share) determined by *dividing* (x) an amount equal to the number of Available Shares *minus* the *product* of the Mixed Election Share Consideration and the number of Mixed Consideration Electing Company Shares, by (y) the number of Share Electing Company Shares (such fraction being the “**Pro-Rated Share Amount**”), and (II) an amount in cash, without interest, equal to the *product* (rounded to the nearest hundredth of a cent) of (x) the Per Share Value and (y) one (1) *minus* the *quotient* obtained by *dividing* the Pro-Rated Share Amount by the Exchange Ratio;

(iii) Each share of Company Common Stock issued and outstanding immediately prior to the Effective Time, other than any Excluded Shares, with respect to which an election to receive Acquiror Common Stock and cash (a “**Mixed Election**”) has been effectively made and not revoked or lost pursuant to **Section 2.10** (each, a “**Mixed Consideration Electing Company Share**”) shall be converted into the right to receive: (x) \$34.55, without interest (the “**Mixed Election Cash Consideration**”), and (y) 4.0481 validly issued, fully paid and nonassessable shares of Acquiror Common Stock (the “**Mixed Election Share Consideration**”); and

(iv) Each share of Company Common Stock issued and outstanding immediately prior to the Effective Time, other than Excluded Shares, with respect to which no Cash Election, Share Election or Mixed Election has been properly made and not revoked or lost pursuant to **Section 2.10** (each, a “**Non-Electing Company Share**”) shall be converted into the right to receive (x) an amount in cash, without interest, equal to the *quotient* (rounded to the nearest hundredth of a cent) determined by *dividing* (A) the amount, if any, by which (I) the Available Cash exceeds (II) the aggregate amount of cash (excluding cash payable in lieu of fractional shares) payable in respect of Cash Electing Company Shares, Share Electing Company Shares and Mixed Consideration Electing Company Shares, by (B) the number of Non-Electing Company Shares, and (y) a number of validly issued, fully paid and non-assessable shares of Acquiror Common Stock equal to the *quotient* (rounded to the nearest ten-thousandth of a share) determined by *dividing* (A) the amount, if any, by which (I) the number of Available Shares exceeds (II) the aggregate number of shares (including fractional shares that would otherwise be payable in cash) deliverable in respect of Cash Electing Company Shares, Share Electing Company Shares and Mixed Consideration Electing Company Shares, by (B) the number of Non-Electing Company Shares.

(b) If the Final Closing Balance Sheet delivered pursuant to **Section 5.9** below reflects Company Tangible Common Equity less than the Minimum Company Tangible Common Equity:

(i) The Per Share Value shall be adjusted by *multiplying* the Per Share Value by the *quotient* determined by *dividing* (A) the Adjusted Merger Consideration by (B) the Aggregate Common Stock Merger Consideration;

(ii) The Exchange Ratio shall be adjusted by *multiplying* the Exchange Ratio by the *quotient* determined by *dividing* (A) the Adjusted Merger Consideration by (B) the Aggregate Common Stock Merger Consideration;

(iii) The Mixed Election Cash Consideration shall be adjusted by *multiplying* the Mixed Election Cash Consideration by the *quotient* determined by *dividing* (A) the Adjusted Merger Consideration by (B) the Aggregate Common Stock Merger Consideration; and

(iv) The Mixed Election Share Consideration shall be adjusted by *multiplying* the Mixed Election Share Consideration by the *quotient* determined by *dividing* (A) the Adjusted Merger Consideration by (B) the Aggregate Common Stock Merger Consideration.

(c) Notwithstanding anything contained herein to the contrary, if, between the date of this Agreement and the Effective Time, shares of Acquiror Common Stock or Company Common Stock shall be changed into a different number of shares or a different class of shares by reason of any reclassification, recapitalization, stock split (including a reverse stock split), split-up, combination, exchange of shares or readjustment, or if a stock dividend on shares of Acquiror Common Stock shall be declared with a record date within such period, then the Exchange Ratio and the Mixed Election Share Consideration will be appropriately and proportionally adjusted to provide the holders of Company Common Stock the same economic effect as contemplated by this Agreement prior to such event.

Section 2.2 Company Preferred Stock. In connection with Closing, the Company shall redeem all outstanding Company Preferred Stock in exchange for cash. The parties shall cooperate to effectuate such redemption in accordance with the terms and conditions of the Company Preferred Stock.

Section 2.3 Company Phantom Stock. In connection with Closing, the Company Phantom Stock shall become fully vested and the holder(s) thereof shall be entitled to receive cash in an amount per unit equal to the Per Share Value *minus* the strike price of the Company Phantom Stock (i.e., \$45.00), which shall be payable by the Company.

Section 2.4 Company Tangible Common Equity.

(a) If the Final Closing Balance Sheet that is delivered to Acquiror pursuant to **Section 5.9** below reflects that the Company Tangible Common Equity is equal to or greater than the Minimum Company Tangible Common Equity, then there will be no adjustment to the Common Stock Merger Consideration. If the Final Closing Balance Sheet reflects that the Company Tangible Common Equity is less than the Minimum Company Tangible Common Equity, then the Common Stock Merger Consideration shall be reduced as set forth in **Section 2.1(b)**.

(b) For purposes of this Agreement, "**Company Tangible Common Equity**" means the Company's consolidated total tangible common stockholders' equity calculated in accordance with this Agreement and otherwise in accordance with GAAP on a basis consistent with the Company Financial Statements and, for the avoidance of doubt, calculated as if it were the end of an interim accounting period; provided, however, that notwithstanding anything to the contrary, the calculation of Company Tangible Common Equity for purposes of the Agreement shall disregard and not be reduced by (and, to the extent any of the following shall have negatively affected the Company's consolidated total tangible common stockholders' equity as of the applicable date of determination, Company Tangible Common Equity shall be increased by) no more than the specified aggregate after tax amount of certain items, as set forth on **Schedule 2.4(b)** of the Company Disclosure Schedules, which shall include the following: the amount of any cost, fee, obligation or expense (other than any Taxes imposed on the Company or Bank or Taxes the Company or Bank is required to withhold) paid or incurred directly or indirectly by Company or any of its Subsidiaries in connection with or resulting from the negotiation and preparation of the Agreement and the consummation of the Contemplated Transactions, including contract termination expenses, the acceleration of accruals due to the Contemplated Transactions, change in control and severance payments (but excluding any costs, expenses or similar amounts under each Retention Agreement as of the Closing Date), legal and financial advisor fees, and similar transaction-related expenses.

Section 2.5 Cancellation of Shares. At the Effective Time, the shares of Company Common Stock will no longer be outstanding and will automatically be cancelled and will cease to exist. Certificates (it being understood that any reference herein to a “certificate” shall be deemed to include reference to any book-entry account statement relating to the ownership of Company Common Stock) that represented Company Common Stock before the Effective Time will be deemed for all purposes to represent only the right to receive, upon surrender thereof, the Common Stock Merger Consideration subject to the terms of this Agreement. Notwithstanding anything in **Section 2.1** to the contrary, at the Effective Time and by virtue of the Merger, each share of Company Common Stock held in the Company’s treasury will be cancelled and no Common Stock Merger Consideration will be issued or paid in exchange thereof.

Section 2.6 No Fractional Shares. Notwithstanding anything to the contrary contained in this Agreement, no fractional shares of Acquiror Common Stock shall be issued as Common Stock Merger Consideration in the Merger. Each holder of Company Common Stock who would otherwise be entitled to receive a fractional share of Acquiror Common Stock pursuant to this **Article 2** shall instead be entitled to receive an amount in cash (without interest) rounded to the nearest whole cent, determined by *multiplying* the Closing Acquiror Common Stock Price by the fractional share of Acquiror Common Stock to which such former holder would otherwise be entitled.

Section 2.7 Exchange of Certificates.

(a) The parties to this Agreement agree: (i) that Computershare Trust Company, N.A. shall serve, pursuant to the terms of an exchange agent agreement, as the exchange agent for purposes of this Agreement (the “**Exchange Agent**”); and (ii) that Acquiror shall execute and deliver the exchange agent agreement at or prior to the Effective Time. Acquiror shall be solely responsible for the payment of any fees and expenses of the Exchange Agent.

(b) At or prior to the Effective Time, Acquiror shall authorize the issuance of and shall make available to the Exchange Agent, for the benefit of the holders of Company Common Stock for exchange in accordance with this **Article 2**: (i) the aggregate number of shares of Acquiror Common Stock deliverable pursuant to **Section 2.1**, (ii) the aggregate cash consideration to be paid as Per Share Value pursuant to **Section 2.1**; and (iii) sufficient cash for payment of cash in lieu of fractional shares of Acquiror Common Stock pursuant to **Section 2.6**. Such amount of cash and shares of Acquiror Common Stock, together with any dividends or distributions with respect thereto paid after the Effective Time, are referred to in this **Article 2** as the “**Conversion Fund**.”

(c) Within two (2) Business Days after the Closing Date, Acquiror shall cause the Exchange Agent to mail to each holder of record of one or more certificates representing shares of Company Common Stock (“**Company Stock Certificates**”) who has not previously returned a Form of Election in accordance with **Section 2.10** a letter of transmittal (“**Letter of Transmittal**”), in a form to be agreed by the parties, which specifies, among other things, that delivery shall be effected, and risk of loss and title to Company Stock Certificates shall pass, only upon delivery of such certificates to the Exchange Agent, together with instructions for use in effecting the surrender of Company Stock Certificates pursuant to this Agreement.

(d) Upon proper surrender of a Company Stock Certificate for exchange to the Exchange Agent, together with a properly completed and duly executed Letter of Transmittal, the holder of such Company Stock Certificate shall be entitled to receive in exchange therefor his, her or its Common Stock Merger Consideration *plus* cash in lieu of any fractional shares of Acquiror Common Stock in accordance with **Section 2.6** deliverable in respect of the shares of Company Common Stock represented by such Company Stock Certificate; thereupon such Company Stock Certificate shall forthwith be cancelled. No interest will be paid or accrued on any portion of the Common Stock Merger Consideration deliverable upon surrender of a Company Stock Certificate.

(e) After the Effective Time, there shall be no transfers on the stock transfer books of the Company of Company Common Stock.

(f) No dividends or other distributions declared with respect to Acquiror Common Stock and payable to the holders of record thereof after the Effective Time shall be paid to the holder of any unsurrendered Company Stock Certificate until the holder thereof shall surrender such Company Stock Certificate in accordance with this **Article 2**. Promptly after the surrender of a Company Stock Certificate in accordance with this **Article 2**, the record holder thereof shall be entitled to receive any such dividends or other distributions, without interest thereon, which theretofore had become payable with respect to shares of Acquiror Common Stock into which the shares of Company Common Stock represented by such Company Stock Certificate were converted at the Effective Time pursuant to **Section 2.1**. No holder of an unsurrendered Company Stock Certificate shall be entitled, until the surrender of such Company Stock Certificate, to vote the shares of Acquiror Common Stock into which such holder's Company Common Stock shall have been converted.

(g) Any portion of the Conversion Fund that remains unclaimed by the stockholders of the Company twelve (12) months after the Effective Time shall be paid to the Surviving Entity, or its successors in interest. Any stockholders of the Company who have not theretofore complied with this **Article 2** shall thereafter look only to the Surviving Entity, or its successors in interest, for issuance and payment of the Common Stock Merger Consideration (including the payment of cash in lieu of any fractional shares deliverable in respect of such stockholders' shares of Company Common Stock), as well as any accrued and unpaid dividends or distributions on shares of such Acquiror Common Stock. Notwithstanding the foregoing, none of the Surviving Entity, the Exchange Agent or any other person shall be liable to any former holder of shares of Company Common Stock for any amount delivered in good faith to a public official pursuant to applicable abandoned property, escheat or similar laws.

(h) In the event any Company Stock Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Company Stock Certificate to be lost, stolen or destroyed and, if required by the Exchange Agent, the posting by such person of a bond in such amount as the Exchange Agent may determine is reasonably necessary as indemnity against any claim that may be made against it with respect to such Company Stock Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Company Stock Certificate, and in accordance with this **Article 2**, the Common Stock Merger Consideration (including cash in lieu of any fractional shares deliverable in respect of such stockholders' shares of Company Common Stock, as well as any accrued and unpaid dividends or distributions on shares of such Acquiror Common Stock).

Section 2.8 Dissenting Shares. Notwithstanding any other provision of this Agreement to the contrary, shares of Company Common Stock that are outstanding immediately prior to the Effective Time and which are held by stockholders who shall have not voted in favor of the Merger or consented thereto in writing and who properly shall have demanded payment of the fair value for such shares in accordance with the IBCA (collectively, the "**Dissenters' Shares**") shall not be converted into or represent the right to receive the Common Stock Merger Consideration. Such stockholders instead shall be entitled to receive payment of the fair value of such shares held by them in accordance with the provisions of the IBCA, except that all Dissenters' Shares held by stockholders who shall have failed to perfect or who effectively shall have withdrawn or otherwise lost their rights as dissenting stockholders under the IBCA shall thereupon be deemed to have been converted into and to have become exchangeable, as of the Effective Time, for the right to receive, without any interest thereon, the Common Stock Merger Consideration upon surrender in the manner provided in **Section 2.7** of the certificate(s) that, immediately prior to the Effective Time, evidenced such shares. The Company shall give Acquiror: (a) prompt notice of any written demands for payment of fair value of any shares of Company Common Stock, attempted withdrawals of such demands and any other instruments served pursuant to the IBCA and received by the Company relating to stockholders' dissenters' rights; and (b) the opportunity to participate in all negotiations and proceedings with respect to demands under the IBCA consistent with the obligations of the Company thereunder. The Company shall not, except with the prior written consent of Acquiror, (i) make any payment with respect to such demand, (ii) offer to settle or settle any demand for payment of fair value or (iii) waive any failure to timely deliver a written demand for payment of fair value or timely take any other action to perfect payment of fair value rights in accordance with the IBCA.

Section 2.9 Withholding Rights. The Exchange Agent or Acquiror will be entitled to deduct and withhold from the Common Stock Merger Consideration or any other amounts payable pursuant to this Agreement or the transactions contemplated hereby to any holder of Company Common Stock such amounts as the Exchange Agent or Acquiror are required to deduct and withhold with respect to the making of such payment under the Code, or any applicable provision of U.S. federal, state, local, or non-U.S. tax law; provided, however, other than with respect to the Company's failure to timely deliver the certificate described in **Section 8.9** prior to Closing, that, if the Exchange Agent or Acquiror intend to deduct or withhold any such amounts, Acquiror shall, and shall request the Exchange Agent to, provide notice to the Company of its intent to so deduct or withhold at least five (5) Business Days in advance of doing so and cooperate in good faith with the Company to minimize such deduction or withholding. To the extent that such amounts are properly withheld by the Exchange Agent or Acquiror and paid over to the appropriate taxing authority, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of Company Common Stock in respect of whom such deduction and withholding were made by the Exchange Agent or Acquiror.

Section 2.10 Election Procedure.

(a) Each person who, on or prior to the Election Deadline, is a record holder of shares of Company Common Stock other than Excluded Shares shall be entitled to specify the number of such holder's shares of Company Common Stock with respect to which such holder makes a Cash Election, a Share Election or a Mixed Election.

(b) Acquiror shall prepare a form of election (the "**Form of Election**"), which shall include transmittal materials described in **Section 2.7**, in form and substance reasonably acceptable to the Company. The Form of Election shall specify that delivery shall be effected, and risk of loss and title to any Company Stock Certificates shall pass, only upon proper delivery of the Form of Election and any Company Stock Certificates in accordance with **Section 2.7**. The Company shall mail the Form of Election on a date to be mutually agreed by Acquiror and the Company that is not more than forty-five (45), nor less than thirty (30) days, prior to the anticipated Closing Date or such other date as Acquiror and the Company shall mutually agree (the "**Mailing Date**") to all persons who are record holders of shares of Company Common Stock as of the close of business on the fifth (5th) Business Day prior to the Mailing Date (the "**Election Form Record Date**"). The Form of Election shall be used by each record holder of shares of Company Common Stock (or, in the case of nominee record holders, the beneficial owner through proper instructions and documentation) to make a Cash Election, a Share Election or a Mixed Election. The Company shall use its reasonable best efforts to make the Form of Election available as may be reasonably requested from time to time by all persons who become record holders of shares of Company Common Stock during the period between the Election Form Record Date and the Election Deadline, and the Company shall provide to the Exchange Agent all information reasonably necessary for Acquiror and the Exchange Agent to perform as specified herein.

(c) Any holder's election shall have been properly made only if the Exchange Agent shall have received at its designated office by 5:00 p.m., local time, on the twenty-fifth (25th) day following the Mailing Date (or such other time and date as Acquiror and the Company may agree) (the "**Election Deadline**"), a Form of Election properly completed and signed and accompanied by: (i) Company Stock Certificates representing the shares of Company Common Stock to which such Form of Election relates, duly endorsed in blank or otherwise in form acceptable for transfer on the books of the Company (or by an appropriate guarantee of delivery of such Company Stock Certificates as set forth in such Form of Election from a firm that is an "eligible guarantor institution" (as defined in Rule 17Ad-15 under the Exchange Act); *provided*, that such Company Stock Certificates are in fact delivered to the Exchange Agent by the time set forth in such guarantee of delivery); or (ii) in the case of book-entry shares, any additional documents required by the procedures set forth in the Form of Election. After a Cash Election, a Share Election or a Mixed Election is properly made with respect to any shares of Company Common Stock, no further registration of transfers of such shares of Company Common Stock shall be made on the stock transfer books of the Company, unless and until such Cash Election, Share Election or Mixed Election is properly revoked.

(d) Acquiror and the Company shall publicly announce the anticipated Election Deadline at least three (3) Business Days prior to the anticipated Election Deadline. If the Closing Date is delayed to a subsequent date, the Election Deadline may, upon mutual agreement of Acquiror and the Company, be similarly delayed to a subsequent date, and Acquiror and the Company shall promptly announce any such delay and, when determined, the rescheduled Election Deadline.

(e) Any Cash Election, Share Election or Mixed Election may be revoked with respect to all or a portion of the shares of Company Common Stock subject thereto by the holder who submitted the applicable Form of Election by written notice received by the Exchange Agent prior to the Election Deadline. In addition, all Cash Elections, Share Elections and Mixed Elections shall automatically be revoked if this Agreement is terminated in accordance with its terms. If a Cash Election, Share Election or Mixed Election is revoked, the shares as to which such election previously applied shall be treated as Non-Electing Company Shares unless a contrary election is properly made by the holder within the period during which elections are permitted to be made pursuant to this **Section 2.10**. Company Stock Certificates will not be returned to holders in the event an election is revoked unless the holder so requests.

(f) Subject to the terms of this Agreement and the Form of Election, the reasonable, good-faith determination of the Exchange Agent (or the joint determination of Acquiror and the Company, in the event that the Exchange Agent declines to make any such determination) shall be conclusive and binding as to whether or not Cash Elections, Mixed Elections and Share Elections shall have been properly made or revoked pursuant to this **Section 2.10** (and to disregard any immaterial defects in the Forms of Election) and as to when Cash Elections, Mixed Elections, Share Elections and revocations were received by the Exchange Agent. The Exchange Agent (or Acquiror and the Company jointly, in the event that the Exchange Agent declines to make the following computation) shall also make all computations contemplated by **Section 2.1(a)**, and absent manifest error this computation shall be conclusive and binding. The Exchange Agent may, with the written agreement of Acquiror (subject to the consent of the Company, not to be unreasonably withheld), make any rules as are consistent with this **Section 2.10** for the implementation of the Cash Elections, Mixed Elections and Share Elections provided for in this Agreement as shall be necessary or desirable to effect these Cash Elections, Mixed Elections and Share Elections. None of Acquiror, the Company or the Exchange Agent shall be under any obligation to notify any person of any defect in a Form of Election.

The deposit accounts of the Bank are insured by the FDIC through the Deposit Insurance Fund to the fullest extent permitted by applicable Legal Requirements, and all premiums and assessments required to be paid in connection therewith have been paid when due. Section 3.4 No Conflict. Neither the execution nor delivery of this Agreement nor the consummation or performance of any of the Contemplated Transactions will, directly or indirectly (with or without notice or lapse of time): (a) assuming receipt of the Company Stockholder Approval, contravene, conflict with or result in a violation of any provision of the certificate of incorporation, certificate of formation or charter (or similar organizational documents) or bylaws or operating agreement, each as in effect on the date hereof, or any currently effective resolution adopted by the board of directors, stockholders, manager or members of, the Company or any of its Subsidiaries; (b) assuming receipt of the Requisite Regulatory Approvals, contravene, conflict with or result in a violation of any Legal Requirement or any Order to which the Company or any of its Subsidiaries, or any of their respective assets that are owned or used by them, may be subject, except for any contravention, conflict or violation that is permissible by virtue of obtaining the Requisite Regulatory Approvals; or (c) except as listed on **Section 3.4** of the Company Disclosure Schedules, contravene, conflict with or result in a violation or breach of any provision of, or give any Person the right to declare a default or exercise any remedy under, or to accelerate the maturity or performance of, or to cancel, terminate or modify, or which would result in the creation of any material lien, charge or encumbrance upon or with respect to any of the assets owned or used by the Company or its Subsidiaries under any Company Material Contract. Except for: (i) the filing by Acquiror of applications, filings and notices, as applicable, with the Federal Reserve and approval of such applications, filings and notices; (ii) the filing by Acquiror Bank of applications, filings and notices, as applicable, with the Illinois State Department of Financial and Professional Regulation, Division of Banking and approval of such applications, filings and notices; (iii) the filing by Acquiror Bank of any required applications, filings or notices with the FDIC and approval of such applications, filings and notices; (iv) the filing by Acquiror with the SEC of the Proxy Statement in definitive form and of the Registration Statement and declaration of effectiveness of the Registration Statement; (v) the filing by Acquiror of the Nevada Articles of Merger with the Nevada Secretary of State pursuant to the NRS and the filing by the Company of the Illinois Articles of Merger with the Illinois Secretary of State pursuant to the IBCA; and (vi) such filings and approvals as are required to be made or obtained by Acquiror under the securities or "Blue Sky" laws of various states in connection with the issuance of the shares of Acquiror Common Stock pursuant to this Agreement and the listing of additional shares of Acquiror Common Stock on the Nasdaq Global Select Market, no consents or approvals of or filings or registrations with any court, administrative agency or commission or other governmental authority or instrumentality are necessary in connection with the execution and delivery of this Agreement or the consummation or performance of any of the Contemplated Transactions.

Section 3.5 Company Capitalization.

(a) The authorized capital stock of the Company currently consists exclusively of: (i) 500,000 shares of Company Common Stock, of which, as of the date of this Agreement (the “**Company Capitalization Date**”), 353,083 shares were issued and outstanding, and 7,000 shares were held in treasury of the Company, (ii) 300 shares of Company Preferred Stock, of which 300 shares were issued and outstanding as of the Company Capitalization Date, (iii) 3,500 shares of undesignated preferred stock, of which no shares were issued and outstanding as of the Company Capitalization Date, and (iv) 6,800 shares of series C preferred stock, of which no shares were issued and outstanding as of the Company Capitalization Date. As of the date of this Agreement, other than the Company Phantom Stock, there are: (i) no outstanding subscriptions, Contracts, conversion privileges, options, warrants, calls or other rights obligating the Company or any of its Subsidiaries to issue, sell or otherwise dispose of, or to purchase, redeem or otherwise acquire, any shares of capital stock of the Company or any of its Subsidiaries; and (ii) no contractual obligations of the Company or any of its Subsidiaries to repurchase, redeem or otherwise acquire any shares of Company Common Stock or any equity security of the Company or its Subsidiaries, or any securities representing the right to purchase or otherwise receive any shares of capital stock or any other equity security of the Company or its Subsidiaries. Such forms, reports and documents: (i) complied as to form in all material respects with applicable Legal Requirements; and (ii) did not at the time they were filed, after giving effect to any amendment thereto filed prior to the date hereof, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except that information filed as of a later date (but before the date of this Agreement) is deemed to modify information as of an earlier date.

(b) The Company and each of its Subsidiaries has good and marketable title to all assets and properties, whether real or personal, tangible or intangible, that it purports to own, other than OREO, subject to no liens, mortgages, security interests, encumbrances or charges of any kind except: (i) as noted in the most recent Company Financial Statements or incurred in the Ordinary Course of Business since the date of the most recent Company Financial Statements; (ii) statutory liens for Taxes not yet delinquent or being contested in good faith by appropriate Proceedings and for which appropriate reserves have been established and reflected in the Company Financial Statements; (iii) pledges or liens required to be granted in connection with the acceptance of government deposits, granted in connection with repurchase or reverse repurchase agreements, securing any discount with, borrowing from, or obligations to any Federal Reserve Bank or Federal Home Loan Bank, interbank credit facilities or any transaction by the Bank acting in a fiduciary capacity or otherwise incurred in the Ordinary Course of Business; (iv) easements, rights of way, and other similar encumbrances that do not materially affect the present use of the properties or assets subject thereto or affected thereby or otherwise materially impair the present business operations at such properties; (v) minor defects and irregularities in title and encumbrances that do not materially impair the use thereof for the purposes for which they are held as of the date of this Agreement; (vi) liens or deposits in connection with worker's compensation, unemployment insurance, social security or other insurance; (vii) inchoate mechanic's and materialmen's liens for construction in progress and workmen's, repairmen's, warehousemen's and carrier's liens arising in the Ordinary Course of Business of the Company or the Bank consistent with past practice; (viii) liens existing on any asset of any Person at the time such Person is acquired by or is combined with the Company or any of the Company's Subsidiaries, provided the lien was not created in contemplation of that event; (ix) liens on property required by Regulation W promulgated by the Federal Reserve; and (x) liens incidental to the conduct of business or ownership of property of the Company or any of its Subsidiaries which do not in the aggregate materially detract from the value of the property or materially impair the use thereof as of the date of this Agreement (collectively, the "**Company Permitted Exceptions**"). The Company and each of its Subsidiaries as lessee has the right under valid and existing leases to occupy, use, possess and control any and all of the respective property leased by it, and each such lease is valid and without default thereunder by the lessee or, to the Knowledge of the Company, the lessor. To the Knowledge of the Company and excluding OREO, all buildings and structures owned by the Company and each of its Subsidiaries lie wholly within the boundaries of the real property owned or validly leased by it, and do not encroach upon the property of, or otherwise conflict with the property rights of, any other Person.

Section 3.10 Loans: Loan Loss Reserve.

(a) Each loan, loan agreement, note, lease or other borrowing agreement by the Bank, any participation therein, and any guaranty, renewal or extension thereof (the “**Company Loans**”) reflected as an asset on any of the Company Financial Statements or reports filed with the Regulatory Authorities is evidenced by documentation that is customary and legally sufficient in all material respects and constitutes, to the Knowledge of the Company, the legal, valid and binding obligation of the obligor named therein, enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting the enforcement of creditors’ rights generally or equitable principles or doctrines.

(b) All Company Loans originated or purchased by the Bank were made or purchased in accordance with the policies of the board of directors of the Bank and in the Ordinary Course of Business of the Bank. The Bank’s interest in all Company Loans is free and clear of any security interest, lien, encumbrance or other charge, and, the Bank has complied in all material respects with all Legal Requirements relating to such Company Loans. There has been no default on, or forgiveness or waiver of, in whole or in part, any Company Loan made to an executive officer or director of the Company or the Bank or an entity controlled by an executive officer or director during the three (3) years immediately preceding the date hereof.

(c) **Section 3.10(c)** of the Company Disclosure Schedules lists, as of September 30, 2023, each Company Loan: (i) under the terms of which the obligor is more than ninety (90) days delinquent in payment of principal or interest or in default of any other material provision as of the dates shown thereon or for which the Bank has discontinued the accrual of interest; (ii) that has been classified as “substandard,” “doubtful,” “loss,” “other loans especially mentioned” or any comparable classifications by the Bank; (iii) that has been listed on any “watch list” or similar internal report of the Bank; (iv) that has been the subject of any notice to the Bank from any obligor of adverse environmental conditions potentially affecting the value of any collateral for such Company Loan; (v) with respect to which the Bank has Knowledge of potential violations of any Environmental Laws that may have occurred on the property serving as collateral for such Company Loan or by any obligor of such Company Loan; or (vi) that represents an extension of credit to an executive officer or director of the Bank or an entity controlled by an executive officer or director.

(d) The Bank's allowance for loan and lease losses reflected in the Company Financial Statements (including footnotes thereto) was determined on the basis of the Bank's continuing review and evaluation of the portfolio of Company Loans under the requirements of GAAP and Legal Requirements, was established in a manner consistent with the Bank's internal policies, and, in the reasonable judgment of the Bank, was adequate in all material respects under the requirements of GAAP and all Legal Requirements to provide for possible or specific losses, net of recoveries relating to Company Loans previously charged-off, on outstanding Company Loans.

(e) To the Knowledge of the Company: (i) none of the Company Loans is subject to any material offset or claim of offset; and (ii) the aggregate loan balances in excess of the Bank's allowance for loan and lease losses are, based on past loan loss experience, collectible in accordance with their terms (except as limited above) and all uncollectible loans have been charged off.

The Company and each of its Subsidiaries has paid, or made adequate provision (which provisions are properly reflected in the Company Financial Statements) for the payment of, all Taxes (whether or not reflected in Tax Returns as filed or due to be filed) due and payable by the Company or any of its Subsidiaries, or claimed to be due and payable by any Regulatory Authority, and is not delinquent in the payment of any Tax, except such Taxes as are being contested in good faith and as to which adequate reserves have been provided and which are reflected on the Company Financial Statements.

(b) There is no claim or assessment pending or, to the Knowledge of the Company, threatened against the Company or any of its Subsidiaries with respect to any Taxes due from or owing by any of them or any Tax Return filed or required to be filed by any of them. (d) None of the Company or any of its Subsidiaries has engaged in any transaction that could materially affect the Tax liability for any Tax Returns not closed by applicable statute of limitations: (i) which is a “reportable transaction” or a “listed transaction” or (ii) a “significant purpose of which is the avoidance or evasion of U.S. federal income tax” within the meaning of Sections 6662, 6662A, 6011, 6111 or 6707A of the Code or of the Treasury Regulations promulgated thereunder or pursuant to notices or other guidance published by the IRS (irrespective of the effective dates).

(g) The Company and each of its Subsidiaries have complied in all respects with all Legal Requirements relating to the payment and withholding of Taxes and have properly and timely withheld all Taxes required to be withheld by the Company in connection with amounts paid or owing to any employee, former employee, independent contractor, creditor, stockholder, Affiliate, customer, supplier or other Person; and the Company and each of its Subsidiaries have complied with all reporting and record-keeping requirements relating thereto. To the extent required, the Company and each of its Subsidiaries have properly and timely paid all such withheld Taxes to the Regulatory Authority or have properly set aside such withheld amounts in accounts for such purpose.

(h) Neither the Company nor any of its Subsidiaries will be required to include any item of income in, or exclude any item or deduction from, taxable income for any taxable period or portion thereof ending after the Closing Date as a result of:

(ii) An open transaction occurring on or prior to the Closing Date;

(iii) A prepaid amount or advance payments received on or before the Closing Date;

(k) Neither the Company's nor any of its Subsidiaries' net operating losses are subject to limitation as a result of an "ownership change" within the meaning of Section 382(g) of the Code, other than the ownership change that will occur as a result of the transaction contemplated by this Agreement.

(l) Except as reflected on the Company Financial Statements, there are no charges, accruals or reserves for unpaid Taxes of the Company or any Subsidiary that in accordance with GAAP should be shown on such Company Financial Statements. (A) all material contracts with third party administrators, actuaries, investment managers, consultants, insurers, and independent contractors;

(B) all notices and other material written communications that were given by the Company, any Subsidiary, or any Company Benefit Plan to the IRS, the DOL or the PBGC pursuant to applicable Legal Requirements within the six (6) years preceding the date hereof;

(C) all notices or other material written communications that were given by the IRS, the PBGC, or the DOL to the Company, any Subsidiary, or any Company Benefit Plan within the six (6) years preceding the date hereof;

(D) with respect to any equity-based compensation plan or arrangement (including any stock option, stock purchase, stock ownership, stock appreciation, restricted stock, restricted stock unit, phantom stock or similar plan, agreement or award), (1) a complete and correct list of recipients of outstanding awards as of the date hereof, (2) the number of outstanding awards held by each recipient as of the date hereof and (3) the form of award agreement pursuant to which each such outstanding award was issued or otherwise granted; and

(E) with respect to any "nonqualified deferred compensation plan" within the meaning of Section 409A of the Code ("**Section 409A**") that the Company maintains: (1) a complete and correct list of participants in each such deferred compensation plan; (2) a statement of the liabilities thereunder; and (3) the vested status of any such liabilities for employees of the Company and each of its Subsidiaries. No such plan of the Company is funded as defined under ERISA.

(b) Except as set forth on **Section 3.12(b)(i)** of the Company Disclosure Schedules, neither the execution and delivery of this Agreement nor the consummation of the Contemplated Transactions (including possible terminations of employment in connection therewith) will cause a payment, vesting, increase or acceleration of benefits or benefit entitlements under any Company Benefit Plan or any other increase in the liabilities of the Company or any Subsidiary under any Company Benefit Plan as a result of the Contemplated Transactions. Except as set forth on **Section 3.12(b)(ii)** of the Company Disclosure Schedules, no Company Benefit Plan provides for payment of any amount which, considered in the aggregate with amounts payable pursuant to all other Company Benefit Plans, would result in any amount being non-deductible for federal income tax purposes by virtue of Section 280G or 162(m) of the Code.

(c) Except as set forth on **Section 3.12(c)** of the Company Disclosure Schedules, neither the Company nor any Company ERISA Affiliate sponsors, maintains, administers or contributes to, or, has ever sponsored, maintained, administered or contributed to, or has, has had or could have, any liability with respect to, (i) any “multiemployer plan” (as defined in Section 3(37) of ERISA); (ii) any “multiple employer welfare arrangement” (as defined in Section 3(40) of ERISA); (iii) any self-insured plan (including any plan pursuant to which a stop loss policy or contract applies); (iv) any “voluntary employees’ beneficiary association” within the meaning of Section 501(c)(9) of the Code; or (v) “multiple employer plan” within the meaning of Section 413(c) of the Code. With respect to any such Company Benefit Plan that is a “multiple employer plan” (as described in Section 413(c) of the Code) or is provided by or through a professional employer organization, such Company Benefit Plan complies in all respects with the requirements of the Code and ERISA and neither the Company nor any of the Company ERISA Affiliates sponsors, maintains, administers or contributes to, or has ever sponsored, maintained, administered or contributed to, or has, has had or could have any liability with respect to, any Company Benefit Plan. No Company Benefit Plan subject to Title IV of ERISA, Section 302 of ERISA or Section 412 of the Code, or any tax-qualified “defined benefit plan” (as defined in Section 3(35) of ERISA) is underfunded when comparing the present value of accrued liabilities under such plan to the market value of plan assets.

(d) Each Company Benefit Plan that is intended to qualify under Section 401 and related provisions of the Code is the subject of a favorable determination letter, or, in the case of a volume submitter prototype plan, an advisory or sponsor letter, from the IRS to the effect that it is so qualified under the Code and that its related funding instrument is tax exempt under Section 501 of the Code (or the Company and its Subsidiaries are otherwise relying on an opinion letter issued to the prototype sponsor, and no subsequent amendment has been made to such plan that would prevent the Company from relying on such opinion letter), and, to the Knowledge of the Company, there are no facts or circumstances that would adversely affect the qualified status of any Company Benefit Plan or the tax-exempt status of any related trust.

(e) Each Company Benefit Plan is and has been established, maintained, funded and administered in all material respects in compliance with its terms and with all applicable Legal Requirements.

(f) Other than routine claims for benefits made in the Ordinary Course of Business, there is no current litigation, claim or assessment pending or, to the Knowledge of the Company, threatened by, on behalf of, or against any Company Benefit Plan or against the administrators or trustees or other fiduciaries of any Company Benefit Plan that alleges a violation of applicable state or federal law or violation of any Company Benefit Plan document or related agreement.

(g) No Company Benefit Plan fiduciary or any other person has, or has had any liability to any Company Benefit Plan participant, beneficiary or any other person under any provisions of ERISA or any other applicable Legal Requirement by reason of any action or failure to act in connection with any Company Benefit Plan, including any liability by any reason of any payment of, or failure to pay, benefits or any other amounts or by reason of any credit or failure to give credit for any benefits or rights. To the Knowledge of the Company, no disqualified person (as defined in Code Section 4975(e)(2)) of any Company Benefit Plan has engaged in any nonexempt prohibited transaction (as described in Code Section 4975(c) or ERISA Section 406).

(h) No Company Benefit Plan or Company Benefit Plan fiduciary has engaged in any transaction involving Company Common Stock with respect to which a selling shareholder has made an election under Code Section 1042 and the Company has consented under Code Section 1042 to the application of Code Sections 4978 and 4979A.

(i) All accrued contributions and other payments to be made by the Company or any Subsidiary to any Company Benefit Plan (i) through the date hereof have been made or reserves adequate for such purposes have been set aside therefor and reflected in Company Financial Statements and (ii) through the Closing Date will have been made or reserves adequate for such purposes will have been set aside therefore and reflected in the Company Financial Statements.

(j) There are no current or anticipated obligations under any Company Benefit Plans to provide health or other welfare benefits to retirees or other former employees, directors, consultants or their dependents (other than rights under Section 4980B of the Code or Section 601 of ERISA or comparable state laws).

(k) No event has occurred, or to the Knowledge of the Company, no circumstance exists that could result in a material increase in premium costs of Company Benefit Plans or a material increase in benefit costs of such Company Benefit Plans that are self-insured as compared to the Company's fiscal year ended December 31, 2022.

(l) No condition exists as a result of which the Company or any Subsidiary would have any material liability, whether absolute or contingent, under any Company Benefit Plan with respect to any misclassification of a person performing services for the Company or any Subsidiary as an independent contractor rather than as an employee. All individuals participating in Company Benefit Plans are in fact eligible and authorized to participate in such Company Benefit Plan in all material respects.

(m) Neither the Company nor any of its Subsidiaries has implemented, adopted or otherwise utilized a formal severance plan or policy and no such plan or policy is currently in place.

(n) Neither the Company nor any of its Subsidiaries have any current or anticipated liabilities, other than liabilities assumed in the Ordinary Course of Business, to employees or former employees that are not reflected in the Company Financial Statements.

(o) Except as set forth on **Section 3.12(o)** of the Company Disclosure Schedules, each Company Benefit Plan may be amended, terminated or otherwise discontinued as of the Closing Date to the extent provided under its terms without any liability to Acquiror or to Acquiror ERISA Affiliates.

(p) Each of the Company's and its Subsidiary's "nonqualified deferred compensation" plans within the meaning of Section 409A has been operated and administered in material compliance with Section 409A and subsequent regulatory guidance thereunder and each such plan has been in documentary compliance with Section 409A and subsequent regulatory guidance thereunder.

Section 3.13 Compliance with Legal Requirements. The Company and each of its Subsidiaries hold all material licenses, certificates, permits, franchises and rights from all appropriate Regulatory Authorities necessary for the conduct of their respective businesses as presently conducted. The Company and each of its Subsidiaries is, and at all times since January 1, 2021, has been, in compliance with each Legal Requirement that is or was applicable to it or to the conduct or operation of its respective businesses or the ownership or use of any of its respective assets, except where noncompliance would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. Neither the Company nor any of its Subsidiaries has received, at any time since January 1, 2021, any notice or other communication (whether oral or written) from any Regulatory Authority or any other Person regarding: (a) any actual, alleged, possible, or potential violation of, or failure to comply with, any Legal Requirement; or (b) any actual, alleged, possible, or potential obligation on the part of the Company or any of its Subsidiaries to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement.

Section 3.14 Legal Proceedings; Orders.

(a) Except as set forth on **Section 3.14** of the Company Disclosure Schedules, neither the Company nor any of its Subsidiaries is a party to any, and there are no pending or, to the Knowledge of the Company, threatened, Proceedings against the Company or any of its Subsidiaries. There is no Order imposed on the Company or any of its Subsidiaries (or that, upon consummation of the Merger, would apply to the Surviving Entity or any of its successors or Affiliates) that would reasonably be expected to be material to the Company and its Subsidiaries taken as a whole. No officer, director, employee or agent of the Company or any of its Subsidiaries is subject to any Order that prohibits such officer, director, employee or agent from engaging in or continuing any conduct, activity or practice relating to the businesses of the Company or any of its Subsidiaries as currently conducted.

(b) Neither the Company nor any of its Subsidiaries: (i) is subject to any cease and desist or other Order or enforcement action issued by; (ii) is a party to any written agreement, consent agreement or memorandum of understanding with; (iii) is a party to any commitment letter or similar undertaking to; (iv) is subject to any order or directive by; (v) is subject to any supervisory letter from; (vi) has been ordered to pay any civil money penalty, which has not been paid, by; or (vii) has adopted any policies, procedures or board resolutions at the request of; any Regulatory Authority that currently restricts in any material respect the conduct of its business, in any manner relates to its capital adequacy, restricts its ability to pay dividends or interest or limits in any material manner its credit or risk management policies, its management or its business. To the Knowledge of the Company, since January 1, 2021, none of the foregoing has been threatened by any Regulatory Authority.

Section 3.15 Absence of Certain Changes and Events. Except as listed in **Section 3.15** of the Company Disclosure Schedules, since December 31, 2022, the Company and its Subsidiaries have conducted their respective businesses only in the Ordinary Course of Business, and without limiting the foregoing with respect to each, since December 31, 2022, there has not been any:

- (n) each Contract for capital expenditures for a single property, individually, or collectively with any other Contract for capital expenditures on such property, in excess of \$100,000; and

Section 3.17 No Defaults. Each Company Material Contract is in full force and effect and is valid and enforceable against the Company, and to the Company's Knowledge, against such other party to such Company Material Contract, in accordance with its terms, except as such enforcement may be limited by bankruptcy, insolvency, reorganization or other Legal Requirements affecting creditors' rights generally and subject to general principles of equity. To the Knowledge of the Company, no event has occurred or circumstance exists that (with or without notice or lapse of time) would contravene, conflict with or result in a material violation or breach of, or give the Company, any of its Subsidiaries or other Person the right to declare a default or exercise any remedy under, or to accelerate the maturity or performance of, or to cancel, terminate or modify, any Company Material Contract, except as listed in **Section 3.10(c)** of the Company Disclosure Schedules. Except in the Ordinary Course of Business with respect to any Company Loan, neither the Company nor any of its Subsidiaries has given to or received from any other Person, at any time since January 1, 2021, any notice or other communication (whether oral or written) regarding any actual, alleged, possible or potential violation or breach of, or default under, any Company Material Contract, that has not been terminated or satisfied prior to the date of this Agreement. Other than in the Ordinary Course of Business, there are no renegotiations of, attempts to renegotiate or outstanding rights to renegotiate, any material amounts paid or payable by or to the Company or any of its Subsidiaries under current or completed Company Material Contracts with any Person, and no such Person has made written demand for such renegotiation.

Section 3.18 of the Company Disclosure Schedules lists all insurance policies and bonds owned or held as of the date of this Agreement by the Company and its Subsidiaries with respect to their respective business, operations, properties or assets (including bankers' blanket bond and insurance providing benefits for employees), true, complete and correct copies of each of which have been delivered or made available to Acquiror. The Company and its Subsidiaries are insured with reputable insurers against such risks and in such amounts as the management of the Company reasonably has determined to be prudent and consistent with comparable entities engaged in the same business and industry. The Company and its Subsidiaries are in compliance in all material respects with their insurance policies and are not in default under any of the terms thereof. Each such policy is outstanding and in full force and effect and, except for policies insuring against potential liabilities of officers, directors and employees of the Company and its Subsidiaries, the Company or the relevant Subsidiary thereof is the sole beneficiary of such policies. All premiums and other payments due under any such policy have been paid, and all known claims thereunder have been filed in due and timely fashion. Section 3.18 of the Company Disclosure Schedules lists and briefly describes all claims that have been filed under such insurance policies and bonds within the two (2) years prior to the date of this Agreement that individually or in the aggregate exceed \$100,000 and the current status of such claims. None of the Company or any of its Subsidiaries has had any insurance policy or bond cancelled or nonrenewed by the issuer of the policy or bond within the past two (2) years.

Section 3.19 Compliance with Environmental Laws. There are no actions, suits, investigations, liabilities, inquiries, Proceedings or Orders involving the Company or any of its Subsidiaries or any of their respective assets that are pending or, to the Knowledge of the Company, threatened, nor to the Knowledge of the Company, is there any factual basis for any of the foregoing, as a result of any asserted failure of the Company or any of its Subsidiaries of, or any predecessor thereof, to comply with any Environmental Law. No environmental clearances or other governmental approvals are required for the conduct of the business of the Company or any of its Subsidiaries or the consummation of the Contemplated Transactions. To the Knowledge of the Company, neither the Company nor any of its Subsidiaries is the owner of any interest in real estate, other than OREO, on which any substances have been generated, used, stored, deposited, treated, recycled or disposed of, which substances if known to be present on, at or under such property, would require notification to any Regulatory Authority, clean up, removal or some other remedial action under any Environmental Law at such property or any impacted adjacent or down gradient property. The Company and each Subsidiary of the Company has complied in all material respects with all Environmental Laws applicable to it and its business operations. Except as set forth on Section 3.19 of the Company Disclosure Schedules, neither the Company nor the Bank has renovated or otherwise had construction performed on the parcels of real property set forth on Section 3.9 of the Company Disclosure Schedules since the completion of construction of the facilities located on such parcels, in each case which renovation or construction was done in compliance with Environmental Laws at such time.

Section 3.20 Transactions with Affiliates. Except as set forth in Section 3.20 of the Company Disclosure Schedules, no officer or director of the Company or any of its Subsidiaries, any Immediate Family Member of any such Person, and no entity that any such Person "controls" within the meaning of Regulation O of the Federal Reserve has (a) any Company Loan or any other agreement with the Company or any of its Subsidiaries (other than an agreement related to a deposit account) or (b) any interest in any material property, real, personal or mixed, tangible or intangible, used in or pertaining to, the business of the Company or any of its Subsidiaries.

Section 3.21 Brokerage Commissions. Except for fees payable to Keefe Bruyette & Woods, Inc. pursuant to an engagement letter that has been delivered or made available to Acquiror, none of the Company or its Subsidiaries, or any of their respective Representatives, has incurred any obligation or liability, contingent or otherwise, for brokerage or finders' fees or agents' commissions or other similar payment in connection with this Agreement.

Section 3.22 Approval Delays. To the Knowledge of the Company, there is no reason why the granting of any of the Requisite Regulatory Approvals would be denied or unduly delayed. The Bank's most recent CRA rating was "satisfactory" or better.

Section 3.23 Labor Matters.

(a) There are no collective bargaining agreements or other labor union Contracts applicable to any employees of the Company or any of its Subsidiaries. There are, and for the past three (3) years have been, no labor disputes, strikes, work stoppages or lockouts, or, to the Knowledge of the Company, any threats thereof, by or with respect to any employees of the Company or any of its Subsidiaries. There are no organizational efforts with respect to the formation of a collective bargaining unit presently being made, or, to the Knowledge of the Company, threatened, involving employees of the Company or any of its Subsidiaries. Neither the Company nor any of its Subsidiaries has engaged or is engaging in any unfair labor practice.

(b) The Company and its Subsidiaries are, and for the past three (3) years have been, in compliance in all material respects with all applicable Legal Requirements respecting employment and employment practices, terms and conditions of employment, wages, payment of wages and other compensation, deductions and withholdings from wages and other compensation, hours of work, overtime, meal and rest breaks, wage statements, benefits, vacation or sick leave, labor practices, collective bargaining, the classification of employees as exempt or non-exempt, the classification of independent contractors, the termination of employment, employment policies or practices, personal or family leave, child labor, labor or employee relations, affirmative action, equal employment opportunity and fair employment practices, disability rights or benefits, workers' compensation, unemployment compensation and insurance, health insurance continuation, whistle blowing, harassment, discrimination, retaliation, plant closures, employee layoffs and furloughs, applicable state and local emergency COVID-19 laws and COVID-19 business operating laws and directives, employee trainings and notices, recordkeeping, and occupational safety and health (collectively, "**Employment Laws**").

(c) Except as set forth on **Section 3.23(c)** of the Company Disclosure Schedules, to the Knowledge of the Company, no executive officer or manager of the Company or any of its Subsidiaries has given written notice to the Company or the applicable Subsidiary of any present intention to terminate his or her employment.

(d) Except as set forth on **Section 3.23(d)** of the Company Disclosure Schedules, all persons employed by the Company or any of its Subsidiaries are employed at will and may be terminated without any penalty, liability, or severance obligation. Except as set forth on **Section 3.23(d)** of the Company Disclosure Schedules, the execution of this Agreement and the consummation of the Contemplated Transactions (either alone or together with any other event which, standing alone, would not by itself trigger such entitlement or acceleration) will not result in: (i) the change of such employees' at will nature of employment; (ii) any payments being due to any employee of the Company or any of its Subsidiaries; or (iii) the acceleration of vesting of any benefits for any employees of the Company or any of its Subsidiaries.

(e) No Proceeding asserting that the Company or any of its Subsidiaries has committed an unfair labor practice (within the meaning of the National Labor Relations Act of 1935) or seeking to compel the Company or any of its Subsidiaries to bargain with any labor organization as to wages or conditions of employment is pending or, to the Knowledge of the Company, threatened with respect to the Company or any of its Subsidiaries before the National Labor Relations Board.

(f) There are no Proceedings pending before any Regulatory Authority, and within the past three (3) years none have been filed, or to the Knowledge of the Company threatened to be filed, alleging that the Company or any of its Subsidiaries have engaged in, or are liable for, any actual or alleged: (i) violation of Employment Laws; (ii) breach of any express or implied contract of employment; (iii) wrongful termination of employment; or (d) any other discriminatory, wrongful, or tortious conduct in connection with the employment relationship.

(g) Within the past three (3) years: (i) there have been no written or, to the Knowledge of the Company oral, complaints made regarding any actual or alleged sexual harassment by any employee of the Company or any of its Subsidiaries; and (ii) neither the Company nor any of its Subsidiaries has entered into any settlement agreement relating to allegations of sexual harassment by any officer, manager, or senior management employee of the Company or any of its Subsidiaries.

(h) The Company and its Subsidiaries have withheld all amounts required by any Legal Requirement or any contract to be withheld from the wages, salaries, and other payments to employees, and neither the Company nor any Subsidiary is liable for any arrears of wages, compensation, taxes, penalties or other sums for failure to comply with any of the foregoing. The Company and its Subsidiaries have paid in full to all employees, independent contractors, and consultants, all wages, salaries, commissions, bonuses, benefits and other compensation due to or on behalf of such employees and independent contractors except as such amounts have been accrued but not yet paid in the Ordinary Course of Business.

(i) Except as set forth on **Section 3.23(i)** of the Company Disclosure Schedules, neither the Company nor any of its Subsidiaries is liable for any payment to any trust or other fund or to any Regulatory Authority with respect to unemployment compensation benefits, social security or other benefits or obligations for employees (other than routine payments to be made in the Ordinary Course of Business).

(j) The Company and its Subsidiaries are and have been in compliance with all Legal Requirements regarding immigration and verification of employees' authorization to work in the jurisdiction in which they are employed, including but not limited to the preparation and maintenance of Form I-9s. To the Knowledge of the Company, within the past three (3) years, neither the Company nor any of its Subsidiaries has been the subject of any audit, investigation, or inquiry conducted by the U.S. Department of Homeland Security or any of its subsidiary departments or divisions including but not limited to U.S. Customs and Immigration Service, and U.S. Immigration and Customs Enforcement, or any predecessor agency, department, or division thereof with responsibility for investigating or enforcing Legal Requirements relating to immigration or verification of employees' authorization to work in the United States. Within the past three (3) years, neither the Company nor any of its Subsidiaries have received any no-match letters from the U.S. Social Security Administration, nor any other written or, to the Knowledge of the Company oral, notice that any employee of the Company or any of its Subsidiaries is or may not be legally authorized to work in the jurisdiction in which such employee was employed.

(k) Neither the Company nor any of its Subsidiaries has engaged in any "plant closing" or "mass layoff" (as those terms are defined in the Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2101 et seq., or any similar state or local law).

(l) To the Company's Knowledge, no employee of the Company or its Subsidiaries is in violation in any material respect of any term of any employment agreement, non-competition agreement, non-solicitation agreement, or any restrictive covenant to a former employer or other third party relating to (i) the right of such employee to be employed by the Company or the applicable Subsidiary because of the nature of the business conducted or currently proposed to be conducted by the Company or such Subsidiary; (ii) the use of trade secrets or proprietary information of others; or (iii) the solicitation or recruitment of the employees, consultants, independent contractors or customers or others.

(m) To the extent applicable, the Company and each of its Subsidiaries are and have been in full compliance with all applicable Legal Requirements promulgated or enforced by the U.S. Department of Labor's Office of Federal Contract Compliance Programs, including but not limited to: (i) Executive Order 11246; (ii) the Vietnam Era Veterans' Readjustment Assistance Act; (iii) Section 503 of the Rehabilitation Act of 1973; and (iv) any other similar requirements imposed pursuant to any applicable local, state, or federal Legal Requirement applicable to persons or entities engaged in contracts with any local, state, or federal agency.

(n) Neither the Company nor any of its Subsidiaries is a party to, or otherwise bound by, any consent decree with, or citation by, any Regulatory Authority relating to employees, employment practices or Employment Laws. None of the Company, any of its Subsidiaries or any of its or their executive officers has received within the past three (3) years any written notice of intent by any Regulatory Authority responsible for the enforcement of labor or employment laws to conduct an investigation relating to the Company or any of its Subsidiaries and, to the Knowledge of the Company, no such investigation is in progress.

Section 3.24 Intellectual Property. Each of the Company and its Subsidiaries has the unrestricted right and authority, and the Surviving Entity and its Subsidiaries will have the unrestricted right and authority from and after the Effective Time, to use all patents, trademarks, copyrights, service marks, trade names or other intellectual property owned by them as is necessary to enable them to conduct and to continue to conduct all material phases of the businesses of the Company and its Subsidiaries in the manner presently conducted by them, and, to the Knowledge of the Company, such use does not, and will not, conflict with, infringe on or violate any patent, trademark, copyright, service mark, trade name or any other intellectual property right of any Person.

Section 3.25 Investments.

(a) **Section 3.25(a)** of the Company Disclosure Schedules includes a complete and correct list and description as of September 30, 2023, of: (i) all investment and debt securities, mortgage-backed and related securities, marketable equity securities and securities purchased under agreements to resell that are owned by the Company or its Subsidiaries, other than, with respect to the Bank, in a fiduciary or agency capacity (the “**Company Investment Securities**”); and (ii) any such Company Investment Securities that are pledged as collateral to another Person. The Company and each Subsidiary has good and marketable title to all Company Investment Securities held by it, free and clear of any liens, mortgages, security interests, encumbrances or charges, except for Company Permitted Exceptions and except to the extent such Company Investment Securities are pledged in the Ordinary Course of Business consistent with prudent banking practices to secure obligations of the Company or the Bank. The Company Investment Securities are valued on the books of the Company and the Bank in accordance with GAAP.

(b) Except as may be imposed by applicable securities laws and restrictions that may exist for securities that are classified as “held to maturity,” none of the Company Investment Securities is subject to any restriction, whether contractual or statutory, that materially impairs the ability of the Company or any of its Subsidiaries to dispose of such investment at any time. With respect to all material repurchase agreements to which the Company or any of its Subsidiaries is a party, the Company or such Subsidiary of the Company, as the case may be, has a valid, perfected first lien or security interest in the securities or other collateral securing each such repurchase agreement, and the value of the collateral securing each such repurchase agreement equals or exceeds the amount of the debt secured by such collateral under such agreement.

(c) None of the Company or its Subsidiaries has sold or otherwise disposed of any Company Investment Securities in a transaction in which the acquiror of such Company Investment Securities or other person has the right, either conditionally or absolutely, to require the Company or any of its Subsidiaries to repurchase or otherwise reacquire any such Company Investment Securities.

(d) All Derivative Transactions, whether entered into for the account of the Company or any of its Subsidiaries or for the account of a customer of the Company or any of its Subsidiaries, were entered into in the Ordinary Course of Business and in accordance with prudent banking practice and applicable Legal Requirements of applicable Regulatory Authorities and in accordance with the investment, securities, commodities, risk management and other policies, practices and procedures employed by the Company and its Subsidiaries, and with counterparties believed at the time to be financially responsible and able to understand (either alone or in consultation with their advisers) and to bear the risks of such Derivative Transactions. All of such Derivative Transactions are legal, valid and binding obligations of the Company or one of its Subsidiaries enforceable against it in accordance with their terms (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar laws affecting the rights of creditors generally and subject to general principles of equity), and are in full force and effect. The Company and its Subsidiaries have duly performed their obligations under the Derivative Transactions to the extent that such obligations to perform have accrued and, to the Knowledge of the Company, there are no breaches, violations or defaults or allegations or assertions of such by any party thereunder.

Section 3.26 Life Equity Loans.

(a) **Section 3.26(a)** of the Company Disclosure Schedules sets forth a true, correct and complete listing of all of the Bank's Life Equity Loans and associated principal balances as of October 31, 2023. Such listing shall have two main categories: Life Equity Loans that are participated (and the name of the bank or banks participating in each such Life Equity Loan) and those that are not. Such listing shall further group the Life Equity Loans by loan type within each category.

(b) Since December 31, 2022 through the date of this Agreement, (i) neither the Company, the Bank nor any of the Company's other Subsidiaries has received any notice from any Life Equity Loan Insurance Company or any of its Representatives that such Life Equity Loan Insurance Company or such Representative shall cease, or shall reduce the number of, Life Equity Loan referrals that it makes to the Bank, and (ii) the dollar amount of new Life Equity Loan originations in each calendar month has not been less than \$3,946,000.

Section 3.27 No Other Representations or Warranties.

(a) Except for the representations and warranties made by the Company in this **Article 3**, neither the Company nor any other Person makes any express or implied representation or warranty with respect to the Company, its Subsidiaries, or their respective businesses, operations, assets, liabilities, conditions (financial or otherwise) or prospects, and the Company hereby disclaims any such other representations or warranties. In particular, without limiting the foregoing disclaimer, neither the Company nor any other Person makes or has made any representation or warranty to Acquiror or any of its Affiliates or representatives with respect to: (i) any financial projection, forecast, estimate, budget or prospective information relating to the Company, any of its Subsidiaries or their respective businesses; or (ii) except for the representations and warranties made by the Company in this **Article 3**, any oral or written information presented to Acquiror or any of its Affiliates or representatives in the course of their due diligence investigation of the Company, the negotiation of this Agreement or in the course of the transactions contemplated hereby. No Person has been authorized by the Company or any of its Subsidiaries, or any of their respective Affiliates or Representatives, to make any representation or warranty relating to the Company and its Subsidiaries or any of their businesses or operations or otherwise in connection with this Agreement or the Merger, and if made, such representation or warranty must not be relied upon by Acquiror, its Subsidiaries, or any of their respective Affiliates or Representatives as having been authorized by the Company and its Subsidiaries, or any of their respective Affiliates or Representatives (or any other Person).

(b) The Company acknowledges and agrees that neither Acquiror nor any other Person has made or is making any express or implied representation or warranty other than those contained in **Article 4**.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF ACQUIROR

Except as Previously Disclosed, Acquiror hereby represents and warrants to the Company as follows:

Section 4.1 Acquiror Organization. Acquiror: (a) is a corporation duly organized, validly existing and in good standing under the laws of the State of Nevada and is also in good standing in each other jurisdiction in which the nature of the business conducted or the properties or assets owned or leased by it makes such qualification necessary, except where the failure to be so qualified and in good standing would not have a Material Adverse Effect on Acquiror; (b) is registered with the Federal Reserve as a financial holding company under the Bank Holding Company Act of 1956, as amended; and (c) has full power and authority, corporate and otherwise, to operate as a bank holding company and to own, operate and lease its properties as presently owned, operated and leased, and to carry on its business as it is now being conducted. The copies of the Acquiror Articles of Incorporation and Acquiror Bylaws and all amendments thereto set forth in the Acquiror SEC Reports are true, complete and correct, and in full force and effect as of the date of this Agreement. Acquiror has no subsidiary other than the subsidiaries listed on Exhibit 21 to Acquiror's Annual Report on Form 10-K for the fiscal year ended December 31, 2022.

Section 4.2 Acquiror Subsidiary Organizations. Acquiror Bank is an Illinois state chartered bank duly organized, validly existing and in good standing under the laws of the State of Illinois. Each other Subsidiary of Acquiror is an entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and is also in good standing in each other jurisdiction in which the nature of the business conducted or the properties or assets owned or leased by it makes such qualification necessary, except where the failure to be so qualified and in good standing would not have a Material Adverse Effect on Acquiror. Each Subsidiary of Acquiror has full power and authority, corporate and otherwise, to own, operate and lease its properties as presently owned, operated and leased, and to carry on its business as it is now being conducted. The deposit accounts of Acquiror Bank are insured by the FDIC through the Deposit Insurance Fund to the fullest extent permitted by applicable Legal Requirements, and all premiums and assessments required to be paid in connection therewith have been paid when due. Acquiror has delivered or made available to the Company copies of the charter (or similar organizational documents) and bylaws of each Subsidiary of Acquiror and all amendments thereto, each of which are true, complete and correct and in full force and effect as of the date of this Agreement.

Section 4.3 Authorization; Enforceability. Acquiror has the requisite corporate power and authority to enter into and perform its obligations under this Agreement. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by the Acquiror Board. The Acquiror Board has determined that the Merger, on substantially the terms and conditions set forth in this Agreement, is in the best interests of Acquiror and its stockholders, and that this Agreement and transactions contemplated hereby are in the best interests of Acquiror and its stockholders. The execution, delivery and performance of this Agreement by Acquiror, and the consummation by it of its obligations under this Agreement, have been authorized by all necessary corporate action and, subject to the receipt of the Requisite Regulatory Approvals, this Agreement constitutes a legal, valid and binding obligation of Acquiror enforceable in accordance with its terms, except as such enforcement may be limited by bankruptcy, insolvency, reorganization or other Legal Requirements affecting creditors' rights generally and subject to general principles of equity.

Section 4.4 No Conflict. Neither the execution nor delivery of this Agreement nor the consummation or performance of any of the Contemplated Transactions will, directly or indirectly (with or without notice or lapse of time): (a) contravene, conflict with or result in a violation of any provision of the articles of incorporation, certificate of formation or charter (or similar organizational documents) or bylaws or operating agreement, each as in effect on the date hereof, or any currently effective resolution adopted by the board of directors, stockholders, manager or members of, Acquiror or any of its Subsidiaries; or (b) assuming receipt of the Requisite Regulatory Approvals, contravene, conflict with or result in a violation of any Legal Requirement or any Order to which Acquiror or any of its Subsidiaries, or any of their respective assets that are owned or used by them, may be subject, except for any contravention, conflict or violation that is permissible by virtue of obtaining the Requisite Regulatory Approvals. Except for: (i) the filing by Acquiror of applications, filings and notices, as applicable, with the Federal Reserve and approval of such applications, filings and notices; (ii) the filing by Acquiror Bank of applications, filings and notices, as applicable, with the Illinois State Department of Financial and Professional Regulation, Division of Banking and approval of such applications, filings and notices; (iii) the filing by Acquiror Bank of any required applications, filings or notices with the FDIC and approval of such applications, filings and notices; (iv) the filing by Acquiror with the SEC of the Proxy Statement in definitive form and of the Registration Statement and declaration of effectiveness of the Registration Statement; (v) the filing by Acquiror of the Nevada Articles of Merger with the Nevada Secretary of State pursuant to the NRS and the filing by the Company of the Illinois Articles of Merger with the Illinois Secretary of State pursuant to the IBCA; and (vi) such filings and approvals as are required to be made or obtained by Acquiror under the securities or “Blue Sky” laws of various states in connection with the issuance of the shares of Acquiror Common Stock pursuant to this Agreement and the listing of additional shares of Acquiror Common Stock on the Nasdaq Global Select Market, no consents or approvals of or filings or registrations with any court, administrative agency or commission or other governmental authority or instrumentality are necessary in connection with the execution and delivery of this Agreement or the consummation or performance of any of the Contemplated Transactions.

Section 4.5 Acquiror Capitalization.

(a) The authorized capital stock of Acquiror currently consists exclusively of: (i) 100,000,000 shares of Acquiror Common Stock, of which, as of the date of this Agreement (the “**Acquiror Capitalization Date**”), 55,236,093 shares were issued and outstanding, and 2,880,876 shares were held in the treasury of Acquiror; and (ii) 1,000,000 shares of Acquiror’s preferred stock, \$0.001 par value per share (the “**Acquiror Preferred Stock**”), of which no shares were issued and outstanding as of the Acquiror Capitalization Date. Acquiror does not have outstanding any bonds, debentures, notes or other debt obligations having the right to vote (or convertible into, or exchangeable for, securities having the right to vote) with the stockholders of Acquiror on any matter. All of the issued and outstanding shares of Acquiror Capital Stock have been, and those shares of Acquiror Common Stock to be issued pursuant to the Merger will be, duly authorized and validly issued and fully paid, nonassessable and free of preemptive rights. Section 4.6 Acquiror Subsidiary Capitalization. All of the issued and outstanding shares of capital stock or other equity ownership interests of each Subsidiary of Acquiror are owned by Acquiror, directly or indirectly, free and clear of any material liens, pledges, charges, claims and security interests and similar encumbrances, and all of such shares or equity ownership interests are duly authorized and validly issued and are fully paid, nonassessable and free of preemptive rights. No Subsidiary of Acquiror has or is bound by any outstanding subscriptions, options, warrants, calls, commitments or agreements of any character calling for the purchase or issuance of any shares of capital stock or any other equity security of such Subsidiary or any securities representing the right to purchase or otherwise receive any shares of capital stock or any other equity security of such Subsidiary. No Subsidiary of Acquiror owns or has any Contract to acquire, any equity interests or other securities of any Person or any direct or indirect equity or ownership interest in any other business.

Section 4.7 Acquiror SEC Reports; Financial Statements and Reports; Regulatory Filings.

(a) Acquiror has timely filed all Acquiror SEC Reports, except where the failure to file any Acquiror SEC Report, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Acquiror, and all such Acquiror SEC Reports complied as to form in all material respects, as of their respective filing dates and effective dates, as the case may be, with all applicable requirements of the Securities Act and the Exchange Act, as the case may be, and the rules and regulations of the SEC thereunder which are applicable to Acquiror. The Acquiror SEC Reports were prepared in accordance with applicable Legal Requirements in all material respects. As of their respective filing dates, none of the Acquiror SEC Reports contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except that information filed as of a later date (but before the date of this Agreement) is deemed to modify information as of an earlier date. As of the date hereof, there are no outstanding comments from or unresolved issues raised by the SEC with respect to any of the Acquiror SEC Reports. No Subsidiary of Acquiror is required to file periodic reports with the SEC pursuant to Section 13 or 15(d) of the Exchange Act.

(b) The financial statements presented (or incorporated by reference) in the Acquiror SEC Reports (including the related notes, where applicable) have been prepared in conformity with GAAP, except in each case as indicated in such statements or the notes thereto, and comply in all material respects with all applicable Legal Requirements. Taken together, the financial statements presented in the Acquiror SEC Reports (collectively, the “**Acquiror Financial Statements**”) are complete and correct in all material respects and fairly and accurately present the respective financial position, assets, liabilities and results of operations of Acquiror and its Subsidiaries at the respective dates of and for the periods referred to in the Acquiror Financial Statements, subject to normal year-end audit adjustments in the case of unaudited Acquiror Financial Statements. As of the date hereof, RSM US LLP has not resigned (or informed Acquiror that it intends to resign) or been dismissed as independent registered public accountants of Acquiror.

(c) Acquiror and each of its Subsidiaries has filed all forms, reports and documents required to be filed since January 1, 2021, with all applicable federal or state securities or banking authorities except to the extent failure would not have a Material Adverse Effect on Acquiror and its Subsidiaries. Such forms, reports and documents: (i) complied as to form in all material respects with applicable Legal Requirements; and (ii) did not at the time they were filed, after giving effect to any amendment thereto filed prior to the date hereof, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except that information filed as of a later date (but before the date of this Agreement) is deemed to modify information as of an earlier date.

(d) Acquiror and its consolidated Subsidiaries have established and maintained a system of internal control over financial reporting. Acquiror's certifying officers have evaluated the effectiveness of Acquiror's internal control over financial reporting as of the end of the period covered by the most recently filed quarterly report on Form 10-Q of Acquiror under the Exchange Act (the "**Acquiror Evaluation Date**"). Acquiror presented in such quarterly report the conclusions of the certifying officers about the effectiveness of Acquiror's internal control over financial reporting based on their evaluations as of the Acquiror Evaluation Date. Since the Acquiror Evaluation Date, there have been no changes in Acquiror's internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, Acquiror's internal control over financial reporting. Acquiror has devised and maintains a system of internal accounting controls sufficient to provide reasonable assurances that: (i) transactions are executed in accordance with management's general or specific authorization; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain accountability for assets; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

(e) Acquiror and each of its Subsidiaries has filed all forms, reports and documents required to be filed since January 1, 2021, with all applicable federal or state securities or banking authorities except to the extent failure would not have a Material Adverse Effect on Acquiror and its Subsidiaries. Such forms, reports and documents: (i) complied as to form in all material respects with applicable Legal Requirements; and (ii) did not at the time they were filed, after giving effect to any amendment thereto filed prior to the date hereof, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except that information filed as of a later date (but before the date of this Agreement) is deemed to modify information as of an earlier date.

(f) To the Knowledge of Acquiror, there has not been any event or occurrence since January 1, 2021 that would result in a determination that Acquiror Bank is not an eligible depository institution as defined in 12 C.F.R. § 303.2(r).

Section 4.8 Books and Records. The books of account, minute books, stock record books and other records of Acquiror and its Subsidiaries are complete and correct in all material respects and have been maintained in accordance with Acquiror's business practices and all applicable Legal Requirements, including the maintenance of an adequate system of internal controls required by such Legal Requirements. The minute books of Acquiror and each of its Subsidiaries fairly reflect the substance of events and transactions included therein.

Section 4.9 Loan Loss Reserve. Acquiror Bank's allowance for loan and lease losses reflected in the Acquiror Financial Statements (including footnotes thereto) was determined on the basis of Acquiror Bank's continuing review and evaluation of the portfolio of each loan, loan agreement, note, lease or other borrowing agreement by Acquiror Bank, any participation therein, and any guaranty, renewal or extension thereof (the "**Acquiror Loans**") under the requirements of GAAP and Legal Requirements, was established in a manner consistent with Acquiror Bank's internal policies, and, in the reasonable judgment of Acquiror Bank, was adequate in all material respects under the requirements of GAAP and all Legal Requirements to provide for possible or specific losses, net of recoveries relating to Acquiror Loans previously charged-off, on outstanding Acquiror Loans.

Section 4.10 Employee Benefits.

(a) Neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby (including possible terminations of employment in connection therewith) will cause a payment, vesting, increase or acceleration of benefits or benefit entitlements under any Acquiror Benefit Plan or any other increase in the liabilities of Acquiror or any Subsidiary under any Acquiror Benefit Plan as a result of the transactions contemplated by this Agreement.

(b) With respect to any Acquiror Benefit Plan that is a "multiple employer plan" (as described in Section 413(c) of the Code) or is provided by or through a professional employer organization, such Acquiror Benefit Plan complies in all respects with the requirements of the Code and ERISA and neither Acquiror nor any of the Acquiror ERISA Affiliates has any liabilities other than the payment and/or remittance of premiums and/or required contributions on behalf of enrolled individuals. Neither Acquiror nor any of the Acquiror ERISA Affiliates sponsors, maintains, administers or contributes to, or has ever sponsored, maintained, administered or contributed to, or has, has had or could have any liability with respect to, any Acquiror Benefit Plan subject to Title IV of ERISA, Section 302 of ERISA or Section 412 of the Code, or any tax-qualified "defined benefit plan" (as defined in Section 3(35) of ERISA). No Acquiror Benefit Plan is underfunded when comparing the present value of accrued liabilities under such plan to the market value of plan assets.

(c) Each Acquiror Benefit Plan that is intended to qualify under Section 401 and related provisions of the Code is the subject of a favorable determination letter, or, in the case of a volume submitter or prototype plan, an advisory or sponsor letter, from the IRS to the effect that it is so qualified under the Code and that its related funding instrument is tax exempt under Section 501 of the Code (or Acquiror and its Subsidiaries are otherwise relying on an opinion letter issued to the prototype sponsor), and, to Acquiror's Knowledge, there are no facts or circumstances that would adversely affect the qualified status of any Acquiror Benefit Plan or the tax-exempt status of any related trust.

(d) Each Acquiror Benefit Plan is and has been administered in all material respects in compliance with its terms and with all applicable Legal Requirements.

(e) Other than routine claims for benefits made in the Ordinary Course of Business, there is no litigation, claim or assessment pending or, to Acquiror's Knowledge, threatened by, on behalf of, or against any Acquiror Benefit Plan or against the administrators or trustees or other fiduciaries of any Acquiror Benefit Plan that alleges a violation of applicable state or federal law or violation of any Acquiror Benefit Plan document or related agreement.

(f) No Acquiror Benefit Plan fiduciary or any other person has, or has had, any liability to any Acquiror Benefit Plan participant, beneficiary or any other person under any provisions of ERISA or any other applicable Legal Requirement by reason of any action or failure to act in connection with any Acquiror Benefit Plan, including any liability by any reason of any payment of, or failure to pay, benefits or any other amounts or by reason of any credit or failure to give credit for any benefits or rights. To Acquiror's Knowledge, no disqualified person (as defined in Code Section 4975(e)(2)) of any Acquiror Benefit Plan has engaged in any nonexempt prohibited transaction (as described in Code Section 4975(c) or ERISA Section 406).

(g) All accrued contributions and other payments to be made by Acquiror or any Subsidiary to any Acquiror Benefit Plan have been made or reserves adequate for such purposes will have been set aside therefore and reflected in the Acquiror Financial Statements.

(h) No condition exists as a result of which Acquiror or any Subsidiary would have any material liability, whether absolute or contingent, under any Acquiror Benefit Plan with respect to any misclassification of a person performing services for Acquiror or any Subsidiary as an independent contractor rather than as an employee. All individuals participating in Acquiror Benefit Plans are in fact eligible and authorized to participate in such Acquiror Benefit Plan in all material respects.

(i) Neither Acquiror nor any of its Subsidiaries have any material liabilities to employees or former employees that are not reflected in the Acquiror Benefit Plans.

Section 4.11 Compliance with Legal Requirements. Acquiror and each of its Subsidiaries hold all material licenses, certificates, permits, franchises and rights from all appropriate Regulatory Authorities necessary for the conduct of their respective businesses as presently conducted. Acquiror and each of its Subsidiaries is, and at all times since January 1, 2021, has been, in compliance with each Legal Requirement that is or was applicable to it or to the conduct or operation of its respective businesses or the ownership or use of any of its respective assets, except where noncompliance would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Acquiror. Except as would not reasonably be expected, individually or in the aggregate, to have Material Adverse Effect on Acquiror, neither Acquiror nor any of its Subsidiaries has received, at any time since January 1, 2021, any notice or other communication (whether oral or written) from any Regulatory Authority or any other Person regarding: (a) any actual, alleged, possible, or potential violation of, or failure to comply with, any Legal Requirement; or (b) any actual, alleged, possible, or potential obligation on the part of Acquiror or any of its Subsidiaries to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement.

Section 4.12 Legal Proceedings; Orders.

(a) Except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect on Acquiror, neither Acquiror nor any of its Subsidiaries is a party to any, and there are no pending or, to the Knowledge of Acquiror, threatened, Proceedings against Acquiror or any of its Subsidiaries. There is no Order imposed on Acquiror or any of its Subsidiaries that would reasonably be expected to be material to the Company and its Subsidiaries taken as a whole. No officer, director, employee or agent of Acquiror or any of its Subsidiaries is subject to any Order that prohibits such officer, director, employee or agent from engaging in or continuing any conduct, activity or practice relating to the businesses of Acquiror or any of its Subsidiaries as currently conducted.

(b) Neither Acquiror nor any of its Subsidiaries: (i) is subject to any cease and desist or other Order or enforcement action issued by; (ii) is a party to any written agreement, consent agreement or memorandum of understanding with; (iii) is a party to any commitment letter or similar undertaking to; (iv) is subject to any order or directive by; (v) is subject to any supervisory letter from; (vi) has been ordered to pay any civil money penalty, which has not been paid, by; or (vii) has adopted any policies, procedures or board resolutions at the request of; any Regulatory Authority that currently restricts in any material respect the conduct of its business, in any manner relates to its capital adequacy, restricts its ability to pay dividends or interest or limits in any material manner its credit or risk management policies, its management or its business. To the Knowledge of Acquiror, since January 1, 2021, none of the foregoing has been threatened by any Regulatory Authority.

Section 4.13 Absence of Certain Changes and Events. Since December 31, 2022, no event or events have occurred that had or would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Acquiror.

Section 4.14 Brokerage Commissions. None of Acquiror or its Subsidiaries, or any of their respective Representatives, has incurred any obligation or liability, contingent or otherwise, for brokerage or finders' fees or agents' commissions or other similar payment in connection with this Agreement.

Section 4.15 Approval Delays. To the Knowledge of Acquiror, there is no reason why the granting of any of the Requisite Regulatory Approvals would be denied or unduly delayed. Acquiror Bank's most recent CRA rating was "satisfactory" or better.

Section 4.16 Financial Capability. Acquiror has, and will have prior to the Effective Time, sufficient funds to pay the aggregate cash consideration payable pursuant to **Section 2.1** and to perform its other obligations contemplated by this Agreement.

Section 4.17 No Other Representations or Warranties.

(a) Except for the representations and warranties made by Acquiror in this **Article 4**, neither Acquiror nor any other Person makes any express or implied representation or warranty with respect to Acquiror, its Subsidiaries, or their respective businesses, operations, assets, liabilities, conditions (financial or otherwise) or prospects, and Acquiror hereby disclaims any such other representations or warranties. In particular, without limiting the foregoing disclaimer, neither Acquiror nor any other Person makes or has made any representation or warranty to the Company or any of its Affiliates or representatives with respect to: (i) any financial projection, forecast, estimate, budget or prospective information relating to Acquiror, any of its Subsidiaries or their respective businesses; or (ii) except for the representations and warranties made by Acquiror in this **Article 4**, any oral or written information presented to the Company or any of its Affiliates or representatives in the course of their due diligence investigation of Acquiror, the negotiation of this Agreement or in the course of the transactions contemplated hereby. No Person has been authorized by Acquiror or any of its Subsidiaries, or any of their respective Affiliates or Representatives, to make any representation or warranty relating to Acquiror and its Subsidiaries or any of their businesses or operations or otherwise in connection with this Agreement or the Merger, and if made, such representation or warranty must not be relied upon by the Company, its Subsidiaries, or any of their respective Affiliates or Representatives as having been authorized by Acquiror and its Subsidiaries, or any of their respective Affiliates or Representatives (or any other Person).

(b) Acquiror acknowledges and agrees that neither the Company nor any other Person has made or is making any express or implied representation or warranty other than those contained in **Article 3**.

This **Section 5.1(a)** shall not require the disclosure of any information to Acquiror the disclosure of which, in the Company's reasonable judgment: (i) would be prohibited by any applicable Legal Requirement; (ii) would result in the breach of any agreement with any third party in effect on the date of this Agreement; or (iii) relate to pending or threatened litigation or investigations, if disclosure might affect the confidential nature of, or any privilege relating to, the matters being discussed. (x) amend the Company Articles of Incorporation or the Company Bylaws, or similar governing documents of any of its Subsidiaries;

(xi) implement or adopt any change in its accounting principles, practices or methods, other than as may be required by GAAP or applicable regulatory accounting requirements;

(xv) settle any action, suit, claim or proceeding against it or any of its Subsidiaries, except for an action, suit, claim or proceeding that is settled in an amount and for consideration not in excess of \$100,000 and that would not: (A) impose any material restriction on the business of the Company or its Subsidiaries; or (B) create precedent for claims that is reasonably likely to be material to it or its Subsidiaries;

(xvi) make application for the opening, relocation or closing of any, or open, relocate or close any, branch office, loan production office or other significant office or operations facility;

(xvii) make, change or revoke any material Tax elections, change or consent to any material change in its or its Subsidiaries' method of accounting for Tax purposes (except as required by a change in GAAP or applicable Tax law), take any material position on any material Tax Return filed on or after the date of this Agreement that is inconsistent with past practice, settle or compromise any material Tax liability, claim or assessment, enter into any closing agreement, waive or extend any statute of limitations with respect to a material amount of Taxes, surrender any right to claim a refund for a material amount of Taxes, or file any material amended Tax Return, or take any action with respect to Taxes that is outside the Ordinary Course of Business or inconsistent with past practice;

(xviii) hire any employee with an annual salary in excess of \$100,000;

(xix) take any action that could reasonably be expected to result in the cessation of, or a reduction in the number of, Life Equity Loan referrals from any Life Equity Loan Insurance Company or any of its Representatives to the Bank; or

(xx) agree to take, make any commitment to take, or adopt any resolutions of the Company Board in support of, any of the actions prohibited by this **Section 5.2(b)**.

(c) For purposes of **Section 5.2(b)**, Acquiror's consent shall be deemed to have been given if the Company has made a written request to Jeffrey D. Jones, Executive Vice President and Chief Financial Officer of Acquiror, and John J. Powers, Executive Vice President and General Counsel of Acquiror, for permission to take any action otherwise prohibited by **Section 5.2(b)** and has provided Acquiror with information sufficient for Acquiror to make an informed decision with respect to such request, and Acquiror has consented in writing or failed to respond to such request within five (5) Business Days after Acquiror's receipt of such request.

(d) No later than fourteen (14) days after the date of this Agreement, the Company shall provide to Acquiror executed copies of the agreements attached hereto at **Section 5.2(d)** of the Company Disclosure Schedules (the "**Side Letters**"), signed by each Key Employee. On or prior to the Closing Date, the Company shall fully accrue and reflect on the Company Financial Statements the maximum amount which is payable, or may become payable, pursuant to the Side Letters.

Section 5.3 Notice of Changes. The Company will give prompt notice to Acquiror of any fact, event or circumstance known to it that: (a) is reasonably likely, individually or taken together with all other facts, events and circumstances known to it, to result in a Material Adverse Effect on the Company; or (b) would cause or constitute a material breach of any of the Company's representations, warranties, covenants or agreements contained herein that reasonably could be expected to give rise, individually or in the aggregate, to the failure of a condition in **Article 8**.

Section 5.4 Stockholders' Meeting. Subject to the other provisions of this Agreement and unless there has been a Company Adverse Recommendation, the Company shall, as promptly as reasonably practicable after the date the Registration Statement is declared effective, take all action necessary, including as required by and in accordance with the IBCA, Company Articles of Incorporation and Company Bylaws to duly call, give notice of, convene and hold a meeting of its stockholders (the "**Company Stockholders' Meeting**") for the purpose of obtaining the Company Stockholder Approval. The Company and Company Board will use their reasonable best efforts to obtain from its stockholders the votes in favor of the adoption of this Agreement required by the IBCA, including by recommending that its stockholders vote in favor of this Agreement, and the Company and Company Board will not withhold, withdraw, qualify or adversely modify (or publicly propose or resolve to withhold, withdraw, qualify or adversely modify) Company Board's recommendation to the Company's stockholders that the Company's stockholders vote in favor of the adoption and approval of this Agreement and the Contemplated Transactions, including the Merger (a "**Company Adverse Recommendation**"). However, if, prior to the time the Company Stockholder Approval is obtained, the Company Board, after consultation with outside counsel, determines in good faith it is reasonably likely that to, or to continue to, recommend this Agreement to its stockholders would result in a violation of its fiduciary duties under applicable Legal Requirements, then the Company Board may make a Company Adverse Recommendation or publicly propose or resolve to make a Company Adverse Recommendation.

Section 5.5 Information Provided to Acquiror. The Company agrees that the information concerning the Company or any of its Subsidiaries that is provided or to be provided by the Company to Acquiror for inclusion or that is included in the Registration Statement or Proxy Statement and any other documents to be filed with any Regulatory Authority in connection with the Contemplated Transactions will: (a) at the respective times such documents are filed and, in the case of the Registration Statement, when it becomes effective and, with respect to the Proxy Statement, when mailed, not be false or misleading with respect to any material fact, or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; or (b) in the case of the Proxy Statement or any amendment thereof or supplement thereto, at the time of the Company Stockholders' Meeting, not be false or misleading with respect to any material fact, or omit to state any material fact necessary to correct any statement in any earlier communication with respect to the solicitation of any proxy for the meeting in connection with which the Proxy Statement shall be mailed. Notwithstanding the foregoing, the Company shall have no responsibility for the truth or accuracy of any information with respect to Acquiror or any of its Subsidiaries or any of their Affiliates contained in the Registration Statement or the Proxy Statement or in any document submitted to, or other communication with, any Regulatory Authority.

Section 5.6 Operating Functions. The Company and the Bank shall cooperate with Acquiror and Acquiror Bank in connection with planning for the efficient and orderly combination of the parties and the operation of the Bank and Acquiror Bank, and in preparing for the consolidation of the banks' appropriate operating functions to be effective at the Effective Time or such later date as the parties may mutually agree; including, to the extent necessary, by providing notices and other documentation to all insurance carriers, which will confirm to such carriers that Acquiror is the owner of all insurance accounts after the Effective Time and that Acquiror is the agent of record for all policies relating to such insurance accounts after the Effective Time.

Section 5.7 Company Benefit Plans.

(a) At the request of Acquiror at least ten (10) calendar days prior to the Closing Date, and except as otherwise provided below, the Company's board of directors will take appropriate action under the terms of such plans to amend or terminate, prior to the Effective Time, any Company Benefit Plan, provided however, that no action taken by the Company with respect to the termination of a Company Benefit Plan shall be required to be irrevocable until one day prior to the Effective Time.

(b) Prior to the Effective Time, the Company shall accrue the costs incurred in connection with the Closing, in accordance with applicable accounting rules, that are associated with any payments due under any Company Benefit Plan, including without limitation any change of control or severance agreements, retention or stay bonus programs, or other similar arrangements, consistent with GAAP.

Section 5.8 Acquisition Proposals.

(a) The Company will immediately cease and cause to be terminated any activities, discussions or negotiations conducted before the date of this Agreement with any Persons other than Acquiror with respect to any Acquisition Proposal. The Company will within two (2) Business Days advise Acquiror following receipt of any Acquisition Proposal and the substance thereof (including the identity of the Person making such Acquisition Proposal), and will keep Acquiror apprised of any related developments, discussions and negotiations (including the material terms and conditions of the Acquisition Proposal) on a reasonably current basis.

(b) The Company agrees that it will not, and will cause its respective Subsidiaries and its and its Subsidiaries' officers, directors, agents, advisors and Affiliates not to, initiate, solicit, encourage or knowingly facilitate inquiries or proposals with respect to, or engage in any negotiations concerning, or provide any confidential or nonpublic information or data to, or have any discussions with, any Person relating to, any Acquisition Proposal (other than contacting a Person for the sole purpose of seeking clarification of the terms and conditions of such Acquisition Proposal); *provided* that, in the event the Company receives an unsolicited bona fide Acquisition Proposal from a Person other than Acquiror after the execution of this Agreement, and the Company Board concludes in good faith that such Acquisition Proposal constitutes a Superior Proposal or would reasonably be likely to result in a Superior Proposal and, after considering the advice of outside counsel, that failure to take such actions would be reasonably likely to result in a violation of the directors' fiduciary duties under applicable Legal Requirements, the Company may: (i) furnish information with respect to it to such Person making such Acquisition Proposal pursuant to a customary confidentiality agreement (subject to the requirement that any such information not previously provided to Acquiror shall be promptly furnished to Acquiror); (ii) participate in discussions or negotiations regarding such Acquisition Proposal; and (iii) terminate this Agreement in order to concurrently enter into an agreement with respect to such Acquisition Proposal; *provided, however*, that the Company may not terminate this Agreement pursuant to this **Section 5.8** unless and until (A) five (5) Business Days have elapsed following the delivery to the other party of a written notice of such determination by the Company Board and, during such five (5) Business-Day period, the parties cooperate with one another with the intent of enabling the parties to engage in good faith negotiations so that the Contemplated Transactions may be effected, and (B) at the end of such five (5) Business-Day period, the Company continues, in good faith and after consultation with outside legal counsel and financial advisors, to believe that a Superior Proposal continues to exist.

Section 5.9 Company Tangible Common Equity Calculation.

(a) Not later than ten (10) days before the expected Closing Date, the Company shall deliver to Acquiror (i) an estimated and unaudited consolidated balance sheet of the Company, as of the expected Closing Date (the "**Company Estimated Closing Balance Sheet**"), which shall (A) be prepared in good faith based on all available information at such time pursuant to GAAP and this Agreement, and (B) include a calculation of Company Tangible Common Equity as of the expected Closing Date, and (ii) reasonable supporting documentation for the Company Estimated Closing Balance Sheet.

(b) After delivery of the Company Estimated Closing Balance Sheet, the parties shall work together in good faith, which in the case of the Company shall include providing Acquiror with such documentation and information in its possession or control as Acquiror shall reasonably request, to agree at least one Business Day prior to the expected Closing Date on an updated estimated consolidated balance sheet of the Company as of the expected Closing Date (the “**Final Closing Balance Sheet**”), which shall (i) be prepared in good faith based on all available information at such time pursuant to GAAP and this Agreement, and (ii) include a calculation of Company Tangible Common Equity as of the expected Closing Date. The Final Closing Balance Sheet, and the calculation of the Company Tangible Common Equity contained therein, as mutually agreed to by the parties (such agreement not to be unreasonably withheld, conditioned or delayed), shall become final and binding.

ARTICLE 6 ACQUIROR’S COVENANTS

Section 6.1 Access and Investigation

(a) Subject to any applicable Legal Requirement, the Company and its Representatives shall, at all times during normal business hours and with reasonable advance notice, have such reasonable access to the facilities, operations, records and properties of Acquiror and each of its Subsidiaries in accordance with the provisions of this **Section 6.1(a)** as shall be necessary for the purpose of determining Acquiror’s continued compliance with the terms and conditions of this Agreement. The Company and its Representatives may, during such period, make or cause to be made such reasonable investigation of the operations, records and properties of Acquiror and each of its Subsidiaries and of their respective financial and legal conditions for such purposes; *provided, however*, that such access or investigation shall not interfere materially with the normal operations of Acquiror or any of its Subsidiaries. Upon request, Acquiror and each of its Subsidiaries will furnish the Company or its Representatives attorneys’ responses to auditors’ requests for information regarding Acquiror or such Subsidiary, as the case may be, and such financial and operating data and other information reasonably requested by the Company (provided, such disclosure would not result in the waiver by Acquiror or any of its Subsidiaries of any claim of attorney-client privilege). No investigation by the Company or any of its Representatives shall affect the representations and warranties made by Acquiror in this Agreement. This **Section 6.1(a)** shall not require the disclosure of any information to the Company the disclosure of which, in Acquiror’s reasonable judgment: (i) would be prohibited by any applicable Legal Requirement; (ii) would result in the breach of any agreement with any third party in effect on the date of this Agreement; or (iii) relate to pending or threatened litigation or investigations, if disclosure might affect the confidential nature of, or any privilege relating to, the matters being discussed. If any of the restrictions in the preceding sentence shall apply, Acquiror and the Company will make appropriate alternative disclosure arrangements, including adopting additional specific procedures to protect the confidentiality of sensitive material and to ensure compliance with any applicable Legal Requirement.

(b) From the date hereof until the earlier of the Closing Date or the termination of this Agreement in accordance with its terms, Acquiror shall promptly furnish to the Company: (i) a copy of each report, schedule, registration statement and other document filed, furnished or received by it during such period pursuant to the requirements of federal and state banking laws or federal or state securities laws, which is not generally available on the SEC’s EDGAR internet database; and (ii) a copy of each report filed by it or any of its Subsidiaries with any Regulatory Authority; in each case other than portions of such documents relating to confidential supervisory or examination materials or the disclosure of which would violate any applicable Legal Requirement.

(c) All information obtained by the Company in accordance with this **Section 6.1** shall be treated in confidence as provided in the Confidentiality Agreement.

Section 6.2 Operation of Acquiror and Acquiror Subsidiaries. Except as Previously Disclosed, as expressly contemplated by or permitted by this Agreement, as required by applicable Legal Requirements, or with the prior written consent of the Company, which shall not be unreasonably withheld, conditioned or delayed, during the period from the date of this Agreement to the earlier of the Closing Date or the termination of this Agreement pursuant to its terms, Acquiror shall not, and shall cause each of its Subsidiaries not to: (a) take any action that is intended to or would reasonably be expected to adversely affect or materially delay the ability of Acquiror or the Company to obtain any of the Requisite Regulatory Approvals, to perform its covenants and agreements under this Agreement or to consummate the Contemplated Transactions; (b) amend the Acquiror Articles of Incorporation or the Acquiror Bylaws, or similar governing documents of any of its Subsidiaries, in a manner that would materially and adversely affect the benefits of the Merger to the stockholders of the Company; (c) make, declare, pay or set aside for payment any dividend on or in respect of, or declare or make any distribution on, any shares of Acquiror Capital Stock (other than dividends from Acquiror's wholly owned Subsidiaries) in an amount that is materially greater than, or at a frequency that is inconsistent with, past practice as disclosed in the Acquiror's SEC Reports; or (d) agree to take, make any commitment to take, or adopt any resolutions of Acquiror Board in support of, any of the actions prohibited by this **Section 6.2**.

Section 6.3 Information Provided to the Company. Acquiror agrees that the information concerning Acquiror or any of its Subsidiaries that is provided or to be provided by Acquiror to the Company for inclusion or that is included in the Registration Statement or Proxy Statement and any other documents to be filed with any Regulatory Authority in connection with the Contemplated Transactions will: (a) at the respective times such documents are filed and, in the case of the Registration Statement, when it becomes effective and, with respect to the Proxy Statement, when mailed, not be false or misleading with respect to any material fact, or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; or (b) in the case of the Proxy Statement or any amendment thereof or supplement thereto, not be false or misleading with respect to any material fact, or omit to state any material fact necessary to correct any statement in any earlier communication with respect to the solicitation of any proxy for the meeting in connection with which the Proxy Statement shall be mailed. Notwithstanding the foregoing, Acquiror shall have no responsibility for the truth or accuracy of any information with respect to the Company or any of its Subsidiaries or any of their Affiliates contained in the Registration Statement or the Proxy Statement or in any document submitted to, or other communication with, any Regulatory Authority.

Section 6.4 Operating Functions. Acquiror and Acquiror Bank shall cooperate with the Company and the Bank in connection with planning for the efficient and orderly combination of the parties and the operation of the Bank and Acquiror Bank, and in preparing for the consolidation of the banks' appropriate operating functions to be effective at the Effective Time or such later date as the parties may mutually agree.

Section 6.5 Indemnification.

(a) From and after the Effective Time, Acquiror shall indemnify, defend and hold harmless, to the fullest extent permitted under applicable Legal Requirements, each current or former director, officer or employee of the Company or any of its Subsidiaries or fiduciary of the Company or any of its Subsidiaries under any Company Benefit Plans or any Person who is or was serving at the request of the Company or any of its Subsidiaries as a director, officer, trustee or employee of another Person (each, an "**Indemnified Party**"), and any Person who becomes an Indemnified Party between the date hereof and the Effective Time, against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or pertaining to matters existing or occurring at or prior to the Effective Time, including the Contemplated Transactions, whether asserted or claimed prior to, at or after the Effective Time. Acquiror shall also advance expenses incurred by an Indemnified Party in each such case to the fullest extent permitted by applicable Legal Requirements, subject to the receipt of an undertaking from such Indemnified Party to repay such advanced expenses if it is determined by a final and nonappealable judgment of a court of competent jurisdiction that such Indemnified Party was not entitled to indemnification hereunder.

(b) Prior to the Effective Time, the Company shall obtain or cause its Subsidiaries to obtain and Acquiror shall fully pay the premium for the extension of the Company's and its Subsidiaries' directors' and officers' liability insurance policies set forth on **Section 6.5(b)** of the Company Disclosure Schedule (complete and accurate copies of which have been heretofore made available to Acquiror) (the "**Existing D&O Policy**") in respect of acts or omissions occurring at or prior to the Effective Time, covering each person currently covered by the Existing D&O Policy for a period of six (6) years after the Effective Time; *provided* that Acquiror shall not be required to pay in the aggregate more than 250% of the amount of the aggregate annual premium paid by the Company, or its Subsidiaries, as applicable, for the current policy term for such policy, which annual premium is set forth on **Section 6.5(b)** of the Company Disclosure Schedules. It is understood and agreed that if the aggregate premiums for the coverage set forth in this **Section 6.5(b)** would exceed such 250% amount, Acquiror shall be obligated to pay for the maximum available coverage as may be obtained by the Company, or its Subsidiaries, as applicable, for such 250% amount.

(c) If Acquiror or any of its successors or assigns shall: (i) consolidate with or merge into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger; or (ii) transfer all or substantially all its properties and assets to any Person; then, and in each such case, Acquiror shall cause proper provision to be made so that the successor and assign of Acquiror assumes the obligations set forth in this **Section 6.5**.

(d) The provisions of this **Section 6.5** shall survive consummation of the Merger and the Bank Merger and are intended to be for the benefit of, and will be enforceable by, each Indemnified Party, his or her heirs and his or her legal representatives.

Section 6.6 Authorization and Reservation of Acquiror Common Stock. The Acquiror Board shall, as of the date hereof, authorize and reserve the maximum number of shares of Acquiror Common Stock to be issued pursuant to this Agreement and take all other necessary corporate action to consummate the Contemplated Transactions.

Section 6.7 Stock Exchange Listing. Acquiror shall use its reasonable best efforts to cause all shares of Acquiror Common Stock issuable or to be reserved for issuance under this Agreement to be approved for listing on the Nasdaq Global Select Market prior to the Closing Date.

ARTICLE 7 COVENANTS OF ALL PARTIES

Section 7.1 Regulatory Approvals. Acquiror and the Company and their respective Subsidiaries will cooperate and use all reasonable best efforts to as promptly as possible prepare, but in no event later than thirty (30) days following the date hereof, file, effect and obtain all Requisite Regulatory Approvals, and the parties will comply with the terms of such Requisite Regulatory Approvals. Each of Acquiror and the Company will have the right to review in advance, and to the extent practicable each will consult with the other, in each case subject to applicable Legal Requirements relating to the exchange of information, with respect to all substantive written information submitted to any Regulatory Authority in connection with the Requisite Regulatory Approvals. In exercising the foregoing right, each of the parties will act reasonably and as promptly as practicable. Each party agrees that it will consult with the other party with respect to obtaining all permits, consents, approvals and authorizations of all Regulatory Authorities necessary or advisable to consummate the Contemplated Transactions, and each party will keep the other party apprised of the status of material matters relating to completion of the Contemplated Transactions. Acquiror and the Company will, upon request, furnish the other party with all information concerning itself, its Subsidiaries, directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with any filing, notice or application made by or on behalf of such other party or any of its Subsidiaries with or to any Regulatory Authority in connection with the Contemplated Transactions. Notwithstanding the foregoing or anything else in this Agreement, nothing shall require Acquiror to, and the Company and its Subsidiaries shall not, without the prior written consent of Acquiror, agree to, take any action or commit to take any action in connection with, or agree to any condition on, or request with respect to, any Requisite Regulatory Approval that would (a) materially and adversely affect the business, operations or financial condition of Acquiror (measured on a scale relative to Acquiror and its Subsidiaries, taken as a whole after giving effect to the Contemplated Transactions), (b) require Acquiror or any of its Subsidiaries to make any material covenants or commitments with a Regulatory Authority or other third party, or complete any divestitures, whether prior to or subsequent to the Closing, (c) result in a Material Adverse Effect on Acquiror and its Subsidiaries, taken as a whole after giving effect to the Contemplated Transactions or (d) restrict in any material respect or impose a material burden on Acquiror or any of its Subsidiaries (including, after the Effective Time, the Company and its Subsidiaries) in connection with the transactions contemplated hereby or with respect to the business or operation of Acquiror or any of its Subsidiaries (including, after the Effective Time, the Company and its Subsidiaries) (for purposes of clause (d), materiality shall be measured on a scale relative to Acquiror and its Subsidiaries, taken as a whole after giving effect to the Contemplated Transactions) (a "**Burdensome Condition**").

Section 7.2 SEC Registration. As soon as practicable following the date of this Agreement, but in no event later than forty-five (45) days following the date hereof, the Company and Acquiror shall prepare and file with the SEC the Proxy Statement and Acquiror shall prepare and file with the SEC the Registration Statement, in which the Proxy Statement will be included. Acquiror shall use its reasonable best efforts to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing and to keep the Registration Statement effective as long as is necessary to consummate the Merger and the Contemplated Transactions. Prior to the filing of the Registration Statement, Acquiror shall consult with the Company with respect to such filing and shall afford the Company and its representatives reasonable opportunity to review and comment thereon. The Registration Statement and the Proxy Statement shall include all information reasonably requested by the Company to be included. The Company will use its reasonable best efforts to cause the Proxy Statement to be mailed to the Company's stockholders as promptly as practicable after the Registration Statement is declared effective under the Securities Act. Acquiror shall also take any action required to be taken under any applicable Legal Requirement in connection with the Acquiror Stock Issuance, and each party shall furnish all information concerning itself and its stockholders as may be reasonably requested in connection with any such action. Acquiror will advise the Company, promptly after it receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, the issuance of any stop order, the suspension of the qualification of Acquiror Capital Stock issuable in connection with the Merger for offering or sale in any jurisdiction, or any request by the SEC to amend the Proxy Statement or the Registration Statement or comments thereon and responses thereto or requests by the SEC for additional information. The parties shall use reasonable best efforts to respond (with the assistance of the other party) as promptly as practicable to any comments of the SEC with respect thereto. If prior to the Effective Time any event occurs with respect to the Company, Acquiror or any Subsidiary of the Company or Acquiror, respectively, or any change occurs with respect to information supplied by or on behalf of the Company or Acquiror, respectively, for inclusion in the Proxy Statement or the Registration Statement that, in each case, is required to be described in an amendment of, or a supplement to, the Proxy Statement or the Registration Statement, the Company or Acquiror, as applicable, shall promptly notify the other of such event (including, prior to entering into any agreement providing for any merger, consolidation, amalgamation, share exchange, business combination, issuance of securities, acquisition of securities, tender offer, exchange offer or other similar transaction involving Acquiror or any of its Subsidiaries), and the Company or Acquiror, as applicable, shall cooperate in the prompt filing with the SEC of any necessary amendment or supplement to the Proxy Statement and the Registration Statement and, as required by applicable Legal Requirements, in disseminating the information contained in such amendment or supplement to the Company's stockholders and to Acquiror's stockholders. Acquiror shall take all action (other than qualifying to do business in any jurisdiction in which it is not now so qualified) required to be taken under the Securities Act, the Exchange Act, any applicable foreign or state securities or "blue sky" Legal Requirements and the rules and regulations thereunder in connection with the Merger and the issuance of Acquiror Common Stock.

Section 7.3 Publicity. Neither the Company nor Acquiror shall, and neither the Company nor Acquiror shall permit any of its Subsidiaries to, issue or cause the publication of any press release or other public announcement with respect to, or otherwise make any public statement or, except as otherwise specifically provided in this Agreement, any disclosure of nonpublic information to a third party, concerning, the Contemplated Transactions without the prior consent (which shall not be unreasonably withheld or delayed) of Acquiror, in the case of a proposed announcement, statement or disclosure by the Company, or the Company, in the case of a proposed announcement, statement or disclosure by Acquiror; *provided, however*, that either party may, without the prior consent of the other party (but after prior consultation with the other party to the extent practicable under the circumstances), issue or cause the publication of any press release or other public announcement to the extent required by applicable Legal Requirements or by the Nasdaq Rules.

Section 7.4 Reasonable Best Efforts; Cooperation. Each of Acquiror and the Company agrees to exercise good faith and use its reasonable best efforts to satisfy the various covenants and conditions to Closing in this Agreement, and to consummate the Contemplated Transactions as promptly as practicable. Neither Acquiror nor the Company will intentionally take or intentionally permit to be taken any action that would be a breach of the terms or provisions of this Agreement. Between the date of this Agreement and the Closing Date, each of Acquiror and the Company will, and will cause each Subsidiary of Acquiror and the Company, respectively, and all of their respective Affiliates and Representatives to, cooperate with respect to all filings that any party is required by any applicable Legal Requirements to make in connection with the Contemplated Transactions. Subject to applicable Legal Requirements and the instructions of any Regulatory Authority, each party shall keep the other party reasonably apprised of the status of matters relating to the completion of the Contemplated Transactions, including promptly furnishing the other party with copies of notices or other written communications received by it or any of its Subsidiaries from any Regulatory Authority with respect to such transactions.

Section 7.5 Tax Free Reorganization.

(a) The parties intend that the Merger qualify as a nontaxable reorganization within the meaning of Section 368(a) and related sections of the Code and that this Agreement constitute a “plan of reorganization” within the meaning of Treasury Regulations Section 1.368-2(g). From and after the date of this Agreement and until the Effective Time, each of the Company and Acquiror shall use its commercially reasonable efforts, and shall cause their respective Subsidiaries to use commercially reasonable efforts, to cause the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code, and will not knowingly take any action, cause any action to be taken, fail to take any action or cause any action to fail to be taken which action or failure to act could prevent the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code. Following the Effective Time, neither Acquiror nor any Affiliate of Acquiror knowingly shall take any action, cause any action to be taken, fail to take any action, or cause any action to fail to be taken, which action or failure to act could prevent the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code. Within forty-five (45) days following the Effective Time, the Surviving Entity shall comply with the reporting requirements of Section 1.6045B-1(a)(2) of the Treasury Regulations. Each of the Company and Acquiror shall report the Merger as a reorganization within the meaning of Section 368(a) of the Code on its United States federal income Tax Return, unless otherwise required pursuant to a “determination” within the meaning of Section 1313(a) of the Code.

(b) As of the date hereof, the Company does not know of any reason: (i) why it would not be able to deliver to counsel to the Company and counsel to Acquiror, at the date of the legal opinions referred to in **Sections 8.8** and **9.8**, certificates substantially in compliance with IRS published advance ruling guidelines, with reasonable or customary exceptions and modifications thereto (the “**IRS Guidelines**”), to enable counsel to Acquiror and counsel to the Company to deliver the legal opinions contemplated by **Sections 8.8** and **9.8**, respectively, and the Company hereby agrees to deliver such certificates effective as of the date of such opinions; or (ii) why counsel to the Company would not be able to deliver the opinion required by **Section 9.8**. The Company will deliver such certificates to counsel to the Company and counsel to Acquiror.

(c) As of the date hereof, Acquiror does not know of any reason: (i) why it would not be able to deliver to counsel to Acquiror and counsel to the Company, at the date of the legal opinions referred to in **Sections 8.8** and **9.8**, certificates substantially in compliance with the IRS Guidelines, to enable counsel to Acquiror and counsel to the Company to deliver the legal opinions contemplated by **Sections 8.8** and **9.8**, respectively, and Acquiror hereby agrees to deliver such certificates effective as of the date of such opinions; or (ii) why counsel to Acquiror would not be able to deliver the opinion required by **Section 8.8**. Acquiror will deliver such certificates to counsel to Acquiror and counsel to the Company.

Section 7.6 Employees and Employee Benefits.

(a) All individuals employed by the Company or any of its Subsidiaries immediately prior to the Closing (each a “**Covered Employee**” and collectively the “**Covered Employees**”) shall automatically become employees of Acquiror as of the Closing. For a period of one year following the Closing, (i) any Covered Employee who is retained by Acquiror in substantially the same or similar roles with substantially similar work requirements shall, during the period of time in which such Covered Employee is retained by Acquiror in such role and with such work requirements, receive at least the same base salary or wages that such Covered Employee was paid immediately prior to the Closing; provided that such Covered Employees shall continue to be employees at will subject to severance pay, if any, in accordance with the severance pay schedule set forth on **Section 7.6(d)** of the Acquiror Disclosure Schedules, and (ii) Acquiror shall maintain employee benefit plans and compensation opportunities for the benefit of Covered Employees that provide employee benefits and compensation opportunities that, in the aggregate, are substantially comparable to the employee benefits and compensation opportunities that are made available to similarly-situated employees of Acquiror under the Acquiror Benefit Plans; *provided, however*, that: (i) in no event shall any Covered Employee be eligible to participate in any closed or frozen Acquiror Benefit Plan; and (ii) until such time as Acquiror shall cause Covered Employees to participate in the Acquiror Benefit Plans, a Covered Employee’s continued participation in Company Benefit Plans shall be deemed to satisfy the foregoing provisions of this sentence (it being understood that participation in the Acquiror Benefit Plans may commence at different times with respect to each Acquiror Benefit Plan).

(b) For the purpose of satisfying eligibility requirements and vesting periods and for the purposes of determining vacation and severance accruals (but not for the purpose of other benefit accruals) under the Acquiror Benefit Plans providing benefits to the Covered Employees (the “**New Plans**”), each Covered Employee shall be credited with his or her years of service with the Company and its Subsidiaries and their respective predecessors to the same extent as such Covered Employee was entitled to credit for such service under any applicable Company Benefit Plan in which such Covered Employee participated or was eligible to participate immediately prior to the Transition Date; *provided, however*, that the foregoing shall not apply to the extent that its application would result in a duplication of benefits with respect to the same period of service.

(c) In addition, and without limiting the generality of the foregoing, as of the Transition Date, Acquiror shall use commercially reasonable efforts to provide that: (i) each Covered Employee shall be immediately eligible to participate, without any waiting time, in any and all New Plans to the extent coverage under such New Plan is similar in type to an applicable Company Benefit Plan in which such Covered Employee was participating immediately prior to the Transition Date (such Company Benefit Plans prior to the Transition Date collectively, the “**Old Plans**”); (ii) for purposes of each New Plan providing medical, dental, pharmaceutical, vision or similar benefits to any Covered Employee, all pre-existing condition exclusions and actively-at-work requirements of such New Plan shall be waived for such Covered Employee and his or her covered dependents, unless such conditions would not have been waived under the Old Plan in which such Covered Employee, as applicable, participated or was eligible to participate immediately prior to the Transition Date; and (iii) any eligible expenses incurred by such Covered Employee and his or her covered dependents during the portion of the plan year of the Old Plan ending on the Transition Date shall be taken into account under such New Plan to the extent such eligible expenses were incurred during the plan year of the New Plan in which the Transition Date occurs for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Covered Employee and his or her covered dependents for the applicable plan year as if such amounts had been paid in accordance with such New Plan. After the Closing, Acquiror or a Subsidiary of Acquiror shall recognize, honor and provide all earned but unused paid vacation and sick leave days of the Covered Employees (up to a maximum number of hours of sick leave equal to no more than 520 hours of sick leave) as of the Closing Date.

(d) Subject to the provisions of **Section 7.6(e)**, following the Effective Time, Acquiror or a Subsidiary of Acquiror will cause any eligible Covered Employee (exempt and non-exempt) to be covered by a severance policy under which employees who incur a qualifying involuntary termination of employment will be eligible to receive severance pay in accordance with the severance pay schedule set forth on **Section 7.6(d)** of the Acquiror Disclosure Schedules. Notwithstanding the foregoing, no Covered Employee eligible to receive severance benefits or other payment triggered by the Merger under an employment, change in control, severance, salary continuation agreement or other agreement (a “**CIC Payment**”) shall be entitled to participate in the severance policy described in this **Section 7.6(d)** or to otherwise receive severance benefits. Any Covered Employee who waives and relinquishes his or her right to a CIC Payment will be eligible for a severance payment as provided in this **Section 7.6(d)**.

(e) Any Company employee who has or is party to any employment agreement, severance agreement, change in control agreement, salary continuation agreement or any other agreement or arrangement (other than Retention Agreements) that provides for a CIC Payment shall not receive any severance benefits as provided in **Section 7.6(d)** but will receive the CIC Payment to the extent it is required to be paid under such agreement, provided that, on or before the Closing Date, the Company will, with respect to such payments and/or benefits that are reasonably likely to, separately or in the aggregate, without regard to the measures described herein, constitute “parachute payments” within the meaning of Section 280G(b)(2) of the Code and the applicable rulings and regulations on account of the transactions contemplated by this Agreement (“**Section 280G Payments**”), use commercially reasonable efforts to obtain a vote of the Company’s shareholders satisfying the requirements of Section 280G(b)(5) of the Code (the “**280G Approval**”), such that no portion of the Section 280G Payments will constitute a “parachute payment” under Section 280G(b)(2) of the Code, and use commercially reasonable efforts to obtain a written waiver from each “disqualified individual” providing that, if the 280G Approval is not obtained, no Section 280G Payments shall be payable to or retained by such disqualified individual to the extent reasonably determined by the Company or the Acquiror to be required to avoid the payment of any “excess parachute payment” within the meaning of Section 280G of the Code and, if not successful in obtaining such 280G Approval, take all steps necessary to ensure that the Section 280G Payments are reduced such that the value of the Section 280G Payments that each counterparty is entitled to receive shall be \$1.00 less than the maximum amount which the counterparty may receive without becoming subject to the excise tax under Section 4999 of the Code or resulting in a disallowance of a deduction of the payment of such amount under Section 280G of the Code.

(f) On or prior to the Closing Date, Acquiror, Acquiror Bank, the Company and the Bank shall offer to enter into a Retention Agreement (each, a “**Retention Agreement**”), substantially in the form of Exhibit D attached hereto, with each of the employees of Company, and for the individual bonus award amounts, set forth in on **Section 7.6(f)** of the Company Disclosure Schedules (each, a “**Retention Payment Recipient**”); provided that if an employee listed on **Section 7.6(f)** of the Company Disclosure Schedules (i) does not enter into a Retention Agreement prior to Closing, or (ii) enters into a Retention Agreement prior to Closing but such employee loses his or her right to receive any payment(s) under the Retention Agreement, then in each case, each such employee shall not be deemed a Retention Payment Recipient and the amount of the individual bonus award attributable to such employee as listed on **Section 7.6(f)** of the Company Disclosure Schedules shall no longer be owed.

Section 7.7 Takeover Laws. If any “moratorium,” “control share,” “fair price,” “affiliate transaction,” “business combination” or other anti-takeover Legal Requirement is or may become applicable to the Merger, the parties shall use their respective commercially reasonable efforts to (a) take such actions as are reasonably necessary so that the transactions contemplated hereunder may be consummated as promptly as practicable on the terms contemplated by this Agreement and (b) otherwise take all such actions as are reasonably necessary to eliminate or minimize the effects of any such Legal Requirement on the Merger and the transactions contemplated by this Agreement.

Section 7.8 Stockholder Litigation. Each of the Company and Acquiror shall give the other the reasonable opportunity to consult concerning the defense of any stockholder litigation against the Company or Acquiror, as applicable, or any of their respective directors or officers relating to the Contemplated Transactions.

Section 7.9 Assumption of Certain Indebtedness. At or before the Effective Time, Acquiror and the Company will execute and deliver, or cause to be executed and delivered, by or on behalf of Acquiror and the Company, one or more supplemental indentures and other instruments, and take or cause to be taken all such other action, required for the due assumption of the Company's outstanding debt, trust preferred securities, guarantees, securities, and other agreements as set forth on **Section 7.9** of the Company Disclosure Schedules.

Section 7.10 Payoff of Certain Indebtedness. Not less than two (2) Business Days prior to the Closing Date, the Company will deliver, or cause to be delivered, to Acquiror a payoff letter from CIBC Bank USA ("CIBC") providing for the full release of any lien or encumbrance related to indebtedness of the Company pursuant to the CIBC Loan Agreement. At Closing, Acquiror shall repay, or cause to be repaid, on behalf of the Company, all amounts necessary to discharge fully the then-outstanding balance of such indebtedness by wire transfer of immediately available funds to the account(s) designated by CIBC in such payoff letter.

No order, injunction or decree issued by any court or agency of competent jurisdiction or other legal restraint or prohibition preventing the consummation of the Merger or any of the other Contemplated Transactions shall be in effect. ARTICLE 10 TERMINATION

Section 10.1 Termination of Agreement. This Agreement may be terminated only as set forth below, whether before or after approval of the matters presented in connection with the Merger by the stockholders of the Company or Acquiror:

(a) by mutual consent of the Acquiror Board and Company Board, each evidenced by appropriate written resolutions;

(b) by Acquiror if the Company shall have breached or failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement (except for breaches of **Section 5.4** or **Section 5.8**, which are separately addressed in **Section 10.1(g)**), which breach or failure to perform, either individually or together with other such breaches, in the aggregate, if occurring or continuing on the date on which the Closing would otherwise occur would result in the failure of any of the conditions set forth in **Article 8** and such breach or failure to perform has not been or cannot be cured within thirty (30) days following written notice to the party committing such breach, making such untrue representation and warranty or failing to perform; *provided*, that such breach or failure is not a result of the failure by Acquiror to perform and comply in all material respects with any of its obligations under this Agreement that are to be performed or complied with by it prior to or on the date required hereunder;

(c) by the Company if Acquiror shall have breached or failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement, which breach or failure to perform, either individually or together with other such breaches, in the aggregate, if occurring or continuing on the date on which the Closing would otherwise occur would result in the failure of any of the conditions set forth in **Article 9** and such breach or failure to perform has not been or cannot be cured within thirty (30) days following written notice to the party committing such breach, making such untrue representation and warranty or failing to perform, *provided*, that such breach or failure is not a result of the failure by the Company to perform and comply in all material respects with any of its obligations under this Agreement that are to be performed or complied with by it prior to or on the date required hereunder;

(d) by Acquiror or the Company if: (i) any Regulatory Authority that must grant a Requisite Regulatory Approval has denied approval of any of the Contemplated Transactions and such denial has become final and nonappealable; (ii) any application, filing or notice for a Requisite Regulatory Approval has been withdrawn at the request or recommendation of the applicable Regulatory Authority; or (iii) if the Company Stockholder Approval is not obtained following the Company Stockholders' Meeting; *provided, however*, that the right to terminate this Agreement under this **Section 10.1(d)** shall not be available to a party whose failure (or the failure of any of its Affiliates) to fulfill any of its obligations (excluding representations and warranties) under this Agreement has been the cause of or resulted in the occurrence of any event described in clauses (i) and (ii) above;

(e) by Acquiror or the Company if the Effective Time shall not have occurred at or before September 30, 2024 (the "**Termination Date**"); *provided, however*, that the right to terminate this Agreement under this **Section 10.1(e)** shall not be available to any party to this Agreement whose failure to fulfill any of its obligations (excluding representations and warranties) under this Agreement has been the cause of or resulted in the failure of the Effective Time to occur on or before such date;

(f) by Acquiror or the Company if any court of competent jurisdiction or other Regulatory Authority shall have issued a judgment, Order, injunction, rule or decree, or taken any other action restraining, enjoining or otherwise prohibiting any of the Contemplated Transactions and such judgment, Order, injunction, rule, decree or other action shall have become final and nonappealable;

(g) by Acquiror if the Company materially breaches any of its obligations under **Section 5.4** or **Section 5.8**;

- (h) by the Company pursuant to **Section 5.8**;
- (i) by Acquiror, prior to the Company Stockholders' Meeting, if the Company makes a Company Adverse Recommendation;
- (j) by Acquiror if the Company Tangible Common Equity as reflected in the Final Closing Balance Sheet is less than \$27,000,000; and

(k) by the Company, if both of the following conditions are satisfied on the Determination Date, such termination to be effective as of the tenth (10th) day following the Determination Date: (i) the Final Acquiror Market Value is less than 80% of the Initial Acquiror Market Value and (ii) the number obtained by *dividing* the Final Acquiror Market Value by the Initial Acquiror Market Value shall be less than (A) the Index Ratio *minus* (B) 0.20; subject, however, to the following three sentences. If the Company elects to exercise its termination right pursuant to this **Section 10.1(k)**, it shall give written notice thereof to the Acquiror within two (2) Business Days of the Determination Date. During the five (5) Business Day period commencing with its receipt of such notice, Acquiror shall have the option to increase the Mixed Election Share Consideration to equal the lesser of: (A) a *quotient*, the numerator of which is equal to the *product* of (1) the Initial Acquiror Market Value, (2) the Mixed Election Share Consideration, and (3) the Index Ratio *minus* 0.20 and the denominator of which is equal to the Final Acquiror Market Value; or (B) the *quotient* determined by *dividing* the Initial Acquiror Market Value by the Final Acquiror Market Value, and *multiplying* such *quotient* by the *product* of the Mixed Election Share Consideration and 0.80. If within such five (5) Business Day period, Acquiror delivers written notice to the Company that it intends to proceed with the Merger by paying such additional consideration as contemplated by the preceding sentence, and notifies the Company of the revised Mixed Election Share Consideration, then no termination shall have occurred pursuant to this **Section 10.1(k)**, and this Agreement shall remain in full force and effect in accordance with its terms (except that the Aggregate Common Stock Merger Consideration, the Cash Percentage, the Stock Percentage, the Per Share Value, the Exchange Ratio and the Mixed Election Share Consideration shall have been so modified). If Acquiror or any company belonging to the Index declares or effects a stock dividend, reclassification, recapitalization, split-up, combination, exchange of shares or similar transaction between the date of this Agreement and the Determination Date, the prices for the common stock of such company shall be appropriately adjusted for the purposes of applying this **Section 10.1(k)**. Moreover, in applying this **Section 10.1(k)**, the Aggregate Common Stock Merger Consideration, the Cash Percentage and the Stock Percentage shall be modified as follows:

The adjusted Aggregate Common Stock Merger Consideration will equal the Aggregate Cash Amount *plus* the Aggregate Stock Amount.

The adjusted Cash Percentage will equal the Aggregate Cash Amount *divided by* the adjusted Aggregate Common Stock Merger Consideration.

The adjusted Stock Percentage will equal the Aggregate Stock Amount *divided by* the adjusted Aggregate Common Stock Merger Consideration.

The adjusted Per Share Value will equal the adjusted Aggregate Common Stock Merger Consideration *divided by* the Outstanding Company Shares.

The adjusted Exchange Ratio will equal the Per Share Value, as revised pursuant to this **Section 10.1(k)**, *divided by* the Final Acquiror Market Value.

For purposes of this Agreement:

“**Aggregate Cash Amount**” means the Mixed Election Cash Consideration *multiplied by* the Outstanding Company Shares.

“**Index Ratio**” means the Final Index Price *divided by* the Initial Index Price.

“**Initial Acquiror Market Value**” means \$20.55, adjusted as indicated in the last sentence of **Section 10.1(k)**.

“**Initial Index Price**” means the closing value of the Index as of November 24, 2023, adjusted as indicated in the last sentence of **Section 10.1(k)**.

Section 10.2 Effect of Termination or Abandonment. In the event of the termination of this Agreement and the abandonment of the Merger pursuant to **Section 10.1**, this Agreement shall become null and void, and there shall be no liability of one party to the other or any restrictions on the future activities on the part of any party to this Agreement, or its respective directors, officers or stockholders, except that: (a) the Confidentiality Agreement, this **Section 10.2**, **Section 10.3** and **Article 11** shall survive such termination and abandonment; and (b) no such termination shall relieve the breaching party from liability resulting from its fraud or a willful breach by that party of this Agreement.

Section 10.3 Fees and Expenses.

(a) Except as otherwise provided in this **Section 10.3**, all fees and expenses incurred in connection with this Agreement, the Merger and the other Contemplated Transactions shall be paid by the party incurring such fees or expenses, whether or not the Merger is consummated, except that the expenses incurred in connection with the filing, printing and mailing of the Proxy Statement, and all filing and other fees paid to the SEC, in each case in connection with the Merger (other than attorneys’ fees, accountants’ fees and related expenses), shall be shared equally by Acquiror and the Company.

(b) If this Agreement is terminated by Acquiror pursuant to **Section 10.1(g)** or **Section 10.1(i)**, or by the Company pursuant to **Section 10.1(h)**, then the Company shall pay to Acquiror, within two (2) Business Days after such termination, the amount of \$1,662,858 (the “**Termination Fee**”) by wire transfer of immediately available funds to such account as Acquiror shall designate.

(c) If, after the date of this Agreement and prior to the termination of this Agreement, a bona fide Acquisition Proposal shall have been made known to senior management of the Company or has been made directly to its stockholders generally or any Person shall have publicly announced (and not withdrawn) an Acquisition Proposal with respect to the Company and (i) thereafter this Agreement is terminated by Acquiror pursuant to **Section 10.1(b)** as a result of a material breach; and (ii) within six (6) months after such termination the Company shall enter into a definitive written agreement with any Person (other than Acquiror and its Affiliates) with respect to such Acquisition Proposal, the Company shall pay to Acquiror, within ten (10) Business Days after the execution of such definitive agreement, the Termination Fee by wire transfer of immediately available funds to such account as Acquiror shall designate; *provided, however*, that for purposes of this paragraph, Acquisition Proposal has the meaning ascribed thereto in **Section 12.1(m)**, except that references in that **Section** to “15%” shall be replaced by “50%.”

(d) Notwithstanding anything to the contrary in this Agreement, in the circumstances in which the Termination Fee is or becomes payable pursuant to **Section 10.3(b)**, Acquiror's sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) against the Company or any of its Affiliates with respect to the facts and circumstances giving rise to such payment obligation shall be payment of the Termination Fee pursuant to **Section 10.3(b)**, and except as provided in **Section 10.2** in the case of fraud or willful breach of this Agreement, upon payment in full of such amount, none of Acquiror or any of its Affiliates nor any other Person shall have any rights or claims against the Company or any of its Affiliates (whether at law, in equity, in contract, in tort or otherwise) under or relating to this Agreement or the transactions contemplated hereby. The Company shall not be required to pay the Termination Fee on more than one occasion.

ARTICLE 11 MISCELLANEOUS

Section 11.2 Governing Law. All questions concerning the construction, validity and interpretation of this Agreement and the performance of the obligations imposed by this Agreement shall be governed by the internal laws of the State of Illinois applicable to Contracts made and wholly to be performed in such state without regard to conflicts of laws. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts located in Champaign County, Illinois solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated hereby, and hereby waives, and agrees not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said court or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such court, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such court. Section 11.3 Assignments, Successors and No Third Party Rights. Neither party to this Agreement may assign any of its rights under this Agreement (whether by operation of law or otherwise) without the prior written consent of the other party. Any purported assignment in contravention hereof shall be null and void. Subject to the preceding sentence, this Agreement and every representation, warranty, covenant, agreement and provision hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Except for **Section 6.5**, nothing expressed or referred to in this Agreement will be construed to give any Person other than the parties to this Agreement any legal or equitable right, remedy or claim under or with respect to this Agreement or any provision of this Agreement. The representations and warranties in this Agreement are the product of negotiations among the parties hereto and are for the sole benefit of the parties. Any inaccuracies in such representations and warranties are subject to waiver by the parties hereto in accordance with **Section 11.5** without notice or liability to any other Person. In some instances, the representations and warranties in this Agreement may represent an allocation among the parties hereto of risks associated with particular matters regardless of the knowledge of any of the parties hereto. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party. Neither the failure nor any delay by any party in exercising any right, power or privilege under this Agreement or the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. Except as provided in **Article 10**, the rights and remedies of the parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Legal Requirements: (i) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other party; (ii) no waiver that may be given by a party will be applicable except in the specific instance for which it is given; and (iii) no notice to or demand on one party will be deemed to be a waiver of any obligation of such party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the documents referred to in this Agreement.
